MEDICAL PRACTICE ACT OF WEST VIRGINIA

Barnes' West Virginia Code, Annotated 1923, Chapter 150; As Amended Acts 1923, Chapter 39; As Amended Acts 1925, Chapter 20.

Section 1. (3) HEALTH COUNCIL*: The public health council shall consist of the commissioner of health and six other members, who shall be appointed by the governor, by and with the consent of the senate. Said commissioner and other members shall be graduates of a regular medical school and shall have had at least five years' experience in the practice of medicine. Of the members, other than the commissioner, first appointed, three shall hold office for two years, and three for four years; the terms of office of members thereafter appointed, except to fill vacancies, shall be four years. Vacancies shall be filled by appointment for the unexpired term. The public health council shall meet at least twice a year, and at such other times as they shall determine by their rules, or upon the request of the commissioner of health, the members, other than the commissioner, to receive ten dollars per diem, not to exceed sixty days in any one calendar year, and actual and necessary traveling expenses, when engaged in the actual discharge of their duties. The public health council shall elect one of its members president, whose term of office shall be two years. The commissioner of health shall be secretary of the public health council. It shall be the duty of the public health council to promulgate rules and regulations; take evidence in appeals; approve plans and appointments; hold hearings; advise with the commissioner of health; define the qualifications of local health authorities, and directors of divisions (said directors of divisions shall be graduates of reputable colleges), and discharge other like duties required by law of the present state board of health. The public health council shall have power, by the affirmative vote of the majority of its members, to establish and from time to time, amend regulations under the public health laws, the enforcement of which devolves upon the state commissioner of health. Every general regulation adopted by the public health council shall state the day on which it takes effect, and a copy thereof, duly signed by the commissioner of health, shall be filed in the office of the secretary of state, and a copy thereof shall be sent by the commissioner of health to each health officer within the state, and shall be published in such manner as the public health council may determine. Any violation of the regulations so promulgated when said regulations are reasonable and not inconsistent with the law shall be a misdemeanor, and punishable by a fine of not less than ten dollars nor more than three hundred dollars, and by imprisonment in the discretion of the court, for not more than thirty days in the county jail.

Sec. 8a. PHYSICIANS AND SURGEONS; EXAMINATION; WHO DEEMED PRACTITIONER: The public health council, consisting of the commissioner of health and six other members as specified in section three of this act, shall, in addition to the duties hereinbefore or hereinafter specified, examine all applicants for license for the practice of medicine and surgery in this state, and issue certificates of license to all applicants who are legally entitled to receive same; and said certificates of license shall be signed by the president of the council and by the commissioner of health as secretary thereof. The examination of applicants and the issuing of certificates of license thereto shall be governed by sections nine, ten and eleven of chapter one hundred and fifty of the code of West Virginia, and the words "state board of health," wherever used in said sections, shall mean public health council, as established by this act. The term "practice of medicine and surgery" as used by this act shall be construed to be treatment of any human ailment or infirmity by any method. To open an office for such purpose or to announce to the public in any way a readiness to treat the sick or afflicted, shall be deemed to engage in the practice of medicine and surgery within the meaning of this act; provided, this clause shall not apply, however, to regularly registered optometrists.

Sec. 9. QUALIFICATIONS OF PHYSICIANS: The following persons and no others shall hereafter be permitted to practice medicine in this state. (1) All such persons as shall be legally entitled to practice medicine in this state at the time of the passage of this act. (2) All such persons as shall be graduates of class "A" medical schools as classified by the council on education of the American Medical Association and American Association of Medical Colleges (and the American Institute of Homeopathy and the National Eclectic Medical Association) and American Osteopathic Association, and then only from such schools when so classified as do require a condition to entrance upon a study of medicine at least two years of academic work of collegiate grade in a standard college of arts and sciences of equal rank with the college of arts and sciences in the University of West Virginia, who shall pass an examination before said public health council and shall receive a certificate therefrom as hereinafter provided. Provided, however, that the public health council, or a majority of them, may accept, in lieu of an examination, the certificate of license to practice medicine legally granted by the state board of registration or examination or licensing board of another state, territory or any foreign country whose standard of qualification for the practice of medicine is equivalent to that of this state, and grant to the said applicant a certificate of license to practice medicine in this state; provided such states, territories or foreign countries accord like privileges to licentiates of this state. The public health council shall as such times as a majority of them deem proper, hold examinations for the licensing of practitioners of medicine; such examinations shall not be less than two during the year, and shall be held at such points in the state as shall be most convenient for those presenting themselves for examination, or to the public health council; at such examination, written and oral questions shall be submitted for the applicants for license, covering all the essential branches of the sciences of medicine and surgery, and the examination shall be a thorough and decisive test of the knowledge and ability of the applicants. The president and secretary of the public health council shall issue certificates to all who successfully pass the said examination and to all those [whose] certificates said public health council or a majority of them shall accept in lieu of an examination as hereinbefore provided, except that in all the certificates issued to applicants who adhere to the osteopathic school it shall appear that it is for the practice of osteopathy, and such certificates after being duly recorded as hereinafter provided, shall be deemed licenses to practice medicine, surgery and osteopathy in all their branches in this state. The public health council shall give timely notice of the time and place of holding such examinations in at least three newspapers of general circulation in this state, and all such persons wishing to present themselves for examination shall notify the secretary and comply with the rules of the public health council. No applicant for license to practice medicine in this state shall be rejected because of his or her adherence to any particular school or theory of medicine.

The public health council shall call to their assistance in the examination of any applicant who professes the homeopathic, osteopathic or eclectic school of medicine, a homeopathic, osteopathic or eclectic physician entitled to practice in this state under this act, and such homeopathic, osteopathic, or eclectic physician so called to the assistance of the public health council, shall be allowed per diem and actual expenses incurred hereinbefore allowed the regular members of the public health council; provided, however, that the provisions of this and the preceding section shall not apply to physicians living in other states and duly qualified to practice medicine therein, who shall be called in consultation into this state, by a physician legally entitled to practice medicine in this state under this chapter, and provided, further, that the provisions of this chapter shall not apply to females practicing midwifery, or to commissioned officers of the United States army and navy and marine hospital service when in the actual discharge of their duties as such commissioned officers.

Sec. 10. RECORDATION, REFUSAL OR REVOCATION OF LICENSE: Every person holding any such certificate, as is hereinbefore provided for, shall have the same recorded in the office of the secretary of the state board of health, in a book to be kept by him for that purpose, and the secretary shall endorse on said certificate, the fact of such recordation and deliver the same to the person named therein or to his order. The state board of health may refuse certificates to individuals guilty of malpractice or dishonorable conduct, and they may revoke certificates for like causes. Such revocation being after due notice and trial by the board of health, with right of appeal to the circuit court of the county in which such individual resides; but no such refusal or revocation shall be had or made by reason of the individual belonging to or practicing in any particular school or system of medicine.

Sec. 11. FEES: Every person on presenting himself for examination as hereinbefore provided, shall pay to the public health council, or to the members thereof by whom he is examined, a fee of twenty-five dollars, which shall not be returned if a certificate be refused him; but he may again at any time within one year after such refusal present himself for examination as aforesaid, without the payment of an additional fee, and if a certificate be again refused him, he may so often as he sees fit thereafter, on the payment of a fee of twenty-five dollars, be examined as herein provided until he obtains such certificate. All other persons who shall be granted a license to practice medicine in this state under the provisions of section nine of this chapter shall each pay a fee of one hundred dollars to the public health council and for reciprocal endorsement, ten dollars.

Sec. 11a. LICENSING OF PRACTICING PHYSICIANS: The public health council of this state is authorized so to do and shall, during the period of one year from the date this act becomes effective, upon the production of satisfactory evidence that the person applying is of good moral character, is proficient in the science of medicine and surgery, has had at least ten years previous experience in the practice in the state of West Virginia, and is otherwise qualified and is a bona fide resident of this state and after a practical examination, grant and issue to such persons license or certificate of authority to practice the profession of medicine and surgery.

Sec. 12. DIVISION OF FEES BY PHYSICIANS: It shall be unlawful for any physician or surgeon in this state to directly or indirectly divide, or agree to divide, any fee or compensation of any sort whatsoever, charged for a surgical operation or for medical services, with any other physician, surgeon or other person, who brings, sends or recommends a patient to such surgeon or physician for treatment, without express knowledge and consent, previously had, of the person paying such fee or compensation, or against whom the same may be charged. It shall be unlawful for any physician, surgeon or other person residing in this state to accept any fee or any compensation from any other surgeon, physician or other person not residing in this state for taking, sending or recommending a patient for treatment to such non-resident physician, surgeon or other person. Any person violating the provisions of this act shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than one hundred nor more than one thousand dollars for each offense; and, in the discretion of the court or judge, may be imprisoned in the county jail not to exceed twelve months in addition to said fine. If any person shall be convicted of a second offense under the provisions of this act, the state board of health shall revoke the certificate licensing such person to practice medicine, surgery or osteopathy in this state, as provided in section ten of chapter one hundred and fifty of the code of West Virginia.

Nothing in this act shall be construed as to prevent legitimate and legal public notices, placards, etc., issued under the direction of the state health department or as to prevent sending out literature by either the state department of health or the United States public health service. A justice of the peace shall have jurisdiction to try persons charged with the violation of this act.

Sec. 14. ITINERANT PHYSICIANS OR VENDORS OF DRUGS OR APPLIANCES: Any itinerant physician desiring to practice medicine in this state, or any itinerant vendor of any drug, nostrum, ointment, or appliance of any kind, intended for the treatment of disease or injuries; or who shall by writing or printing, or in any other method, publicly profess to cure or treat diseases, injuries or deformities, by any drug, nostrum, manipulation, or other expedient, shall before doing so, pay to the sheriff of every county in which he desires to practice, a special tax of fifty dollars for each month or fraction of a month he shall so practice in such county, and take his receipt in duplicate therefor. He shall present said receipts to the clerk of the county court of such county, who shall file and preserve one of them in his office, and shall endorse on the other the words, "A duplicate of this receipt has been filed in my office," and sign the same; and if any such physician or vendor of patent medicines shall practice or attempt to practice in any such county without having paid such tax and filed such receipt with the clerk of the county court, and obtained his endorsement on the other as aforesaid, or if he shall practice or attempt to practice for a longer time than that for which he has paid such tax as aforesaid, he shall be guilty of a misdemeanor, and shall be fined not less than one hundred nor more than five hundred dollars. Any person who shall travel from place to place, and by writing, printing or otherwise, publicly profess to cure or treat diseases, injuries or deformities, shall be held and deemed to be an itinerant physician and subject to the taxes, fine and penalties prescribed in this section.

Sec. 15. PRACTICING WITHOUT LICENSE: If any person shall practice, or attempt to practice medicine, surgery, or obstetrics in this state, without having complied with the provisions of section nine of this chapter, except as therein provided, he shall be guilty of a misdemeanor and fined for every such offense, not less than fifty nor more than five hundred dollars, or imprisoned in the county jail not less than one month nor more than twelve months, or be punished by both such fine and imprisonment, at the discretion of the court. And if any person shall file or attempt to file, as his own, the diploma or certificate of another, or shall file or attempt to file a false or forged affidavit of his identity, or shall wilfully swear falsely to any question which may be propounded to him on examination, as herein provided for, or to any affidavit herein required to be made or filed by him, he shall, upon conviction thereof, be confined in the penitentiary not less than one nor more than three years, or imprisoned in the county jail not less than six nor more than twelve months, and fined not less than one hundred nor more than five hundred dollars, at the discretion of the court.

THE MEDICAL PRACTICE ACT OF WISCONSIN

Wisconsin Statutes, 1925, Chapter 147, as
Amended Laws of 1927, Chapter 79
and Chapter 173.

Section 147.01. DEFINITIONS: (1) The "Basic Science Law" is sections 147.01 to 147.12, inclusive, and as used therein:

(a) To "treat the sick" is to examine into the fact, condition, or cause of human health or disease, or to treat, operate, prescribe, or advise for the same, or to undertake, offer, advertise, announce, or hold out in any manner to do any of said acts, for compensation, direct or indirect, or in the expectation thereof.

(b) "Disease" includes any pain, injury, deformity, or physical or mental illness or departure from complete health and proper condition of the human body or any of its parts.

(c) The "basic sciences" are anatomy, physiology, pathology and diagnosis.

(d) The "board" is the state board of examiners in the basic sciences.

(2) Sections 147.01 to 147.12, inclusive, shall not apply to or affect persons making application for examination or registered or licensed or holding a certificate, or otherwise authorized or to be authorized under chapter 152, or to optometrists.

Sec. 147.02. PRACTICE: No person shall treat, or attempt to treat, the sick unless he shall have a certificate of registration in the basic sciences, and shall have recorded the same with the county clerk in the manner provided in section 147.14, and shall have complied with all other requirements of law. This section shall not affect the exemptions provided by subsections (1) and (2) of section 147.19, nor shall it be construed to require a certificate of registration in the basic sciences for the practice of nursing by persons registered under chapter 149.

Sec. 147.03. BOARD: The governor, with the advice and consent of the senate, shall appoint the state board of examiners in the basic sciences. The board shall consist of three lay educators, none of whom shall be on the faculty, of any department teaching methods of treating the sick. The term of office shall be six years. A vacancy shall be filled for the unexpired term. The first appointments shall be for terms expiring April 1, 1927, 1929 and 1931, respectively. The Board shall within thirty days of appointment organize by the election of a president, secretary and treasurer. The compensation of the members of the board shall be ten dollars for each day actually spent and actual and necessary expenses.

Sec. 147.04. OTHER BOARDS: No examining board for any branch of treating the sick shall admit to its examinations or license or register any applicant unless such applicant first present a certificate of registration in the basic sciences. Any such board may by rule accept such certificate in lieu of examination in those subjects.

Sec. 147.05. APPLICATION: Application for a certificate of registration in the basic sciences shall be made to the board of examiners in the basic sciences, accompanied by sufficient and satisfactory evidence of good moral character and preliminary education equivalent to graduation from an accredited high school of this state, and a fee of ten dollars. If the applicant was on February 1, 1925, attending a professional school, high school education shall not be required.

Sec. 147.06. EXAMINATION: Examination shall be in the basic sciences only, shall be conducted not less than four times a year at such times and places as the board shall fix, and shall be both written and by demonstration or other practical test. No applicant shall be required to disclose the professional school he may have attended or what system of treating the sick he intends to pursue.

Sec. 147.07. CERTIFICATE: If the candidate attains a grade of seventy-five per cent in each subject, he shall receive a certificate in the basic sciences, signed by the president and secretary. If he fails in one subject only, he may be reexamined in that subject at any examination within one year without further examination fee. If he fails in two or more subjects he shall not be again examined until after the lapse of one year, and then only upon application anew and in all subjects. If the applicant states that his practice is to be confined to one organ or set of organs, his examination and certificate shall be limited accordingly.

Sec. 147.08. RECIPROCITY: The board may issue certificate to an applicant who presents sufficient and satisfactory evidence of having passed examinations in the basic sciences, before a legal examining board or officer of another state, or of a foreign country, if the standards are as high as those of this state, and upon payment of a fee of fifteen dollars.

Sec. 147.09. PREVIOUS PRACTICE: Any person who, on February 1, 1925, was regularly licensed or registered in the state of Wisconsin to treat the sick need not be registered under the basic science law. Any person who, on February 1, 1925, was not registered or licensed in the state of Wisconsin to treat the sick, but nevertheless on that date was lawfully engaged in this state in treating the sick, shall be registered upon presenting to the board, within sixty days after this section goes into effect, an application therefor, with sufficient and satisfactory evidence that he was, on such date, lawfully engaged in this state in treating the sick, and is of good moral character, and upon the payment of a registration fee of five dollars. The certificate shall recite registration solely as a person who, on February 1, 1925, was lawfully engaged in this state in treating the sick. Such certificate shall be in force only when filed with the county clerk in the manner provided in section 147.14.

Sec. 147.10. REVOCATION: Certificate of registration in the basic sciences shall be subject to revocation for the causes and in the manner provided in section 147.20.

Sec. 147.11. REVIEW: The candidate affected, or any state examining board for any branch of treating the sick, may commence an action in the circuit court for Dane county against the board to set aside action by it granting or denying a certificate of registration under the basic science law. In such action the complaint shall be served with the summons, and within twenty days after such service, the board shall answer, and shall cause to be filed with the clerk of the court the papers and records upon which it acted, or certified copies thereof. The issues shall be tried by the court upon such papers and records, and additional evidence in the discretion of the court. The court may (1) dismiss the action, or (2) remand the record to the board for (a) further examination or investigation, or (b) modification or reversal of its action. The attorney-general shall appear in such action for the board, and no costs shall be taxed by either party.

Sec. 147.12. ADMINISTRATION: The board shall keep a complete record in which shall be entered all applications examinations, registrations, fees, decisions, orders and proceedings. It shall from time to time from lists furnished by the state civil service commission, appoint such competent and recognized experts as shall be necessary to assist in the examinations, and necessary clerks. They shall receive such compensation as the board shall fix. On or before August first of each year, the board shall file with the governor a report of all receipts, disbursements and transactions for the preceding fiscal year. The disbursements of the board shall not exceed the fees received.

Section 147.13. EXAMINERS: (1) The governor shall apopint the "Wisconsin State Board of Medical Examiners," consisting of eight members. The apopintment of each member shall be for four years. No instructor, stockholder, member of, or person financially interested in any school, college or university having a medical department, or of any school of osteopathy, shall be eligible. Three members shall be allopathic, two homeopathic, two eclectic and one osteopathic, and shall be licentiates of the board.

(2) The board shall meet regularly on the second Tuesday of January at Madison and on the last Tuesday of June at Milwaukee, and at such other times and places as it wills. It shall elect annually at its June meeting a president and a secretary-treasurer. The president or secretary may administer oaths. The secretary-treasurer shall furnish such bond as the board shall require, and shall receive all moneys and pay the same into the state treasury.

(3) The board shall fix the compensation of the members, at not more than ten dollars for each day actually spent and actual and necessary expenses, and of its secretary at not more than one thousand dollars a year and such expenses.

(4) The board shall employ necessary assistants, and fix their compensation. The counsel shall attend the meetings of the board, advise the members, and assist the board generally.

(5) The board shall have a common seal, and keep a record of its proceedings and a register of applications, and licenses and certificates of registration issued. It shall make annual report of its proceedings to the governor on June thirtieth, including detailed statement of money received and expense of operation.

(6) The board shall investigate complaints of violation of this chapter, notify prosecuting officers, institute prosecutions, and if it so direct, and the court and district attorney consent, its counsel shall assist the district attorney.

Sec. 147.14. PRACTICE: (1) No person shall practice or attempt or hold himself out as authorized to practice medicine, surgery or osteopathy, or any other system of treating bodily or mental ailments or injuries of human beings, without a license or certificate of registration from the state board of medical examiners, except as otherwise specifically provided by statute, nor unless he shall record the same with the county clerk of the county in which he shall practice and pay a fee of fifty cents for each recording. The clerk shall enter in a book kept for that purpose the date of the license or certificate, the name of the licensee, school of practice shown, and the date of recording.

(2) No person violating subsection (1) of this section shall have the right to collect by law any compensation for professional services, or to testify in a professional capacity as a medical or osteopathic physician or practitioner of any other form or system of treating the afflicted, or as an insanity expert; except that a court in a criminal action may receive the testimony of any person as an expert and that practitioners in medicine, surgery or osteopathy licensed in other states may testify as experts in this state when such testimony is necessary to establish the rights of citizens or residents of this state in a judicial proceeding and expert testimony of licensed practitioners of this state sufficient for the purpose is not available.

(3) No person not possessing a license to practice medicine and surgery, osteopathy, or osteopathy and surgery under section 147.17, shall use or assume the title "doctor" or append to his name the words or letters "doctor," "Dr," "specialist," "M.D.," "D.O.," or any other title, letters or designation which represents or may tend to represent him as a doctor in any branch of treating the sick.

Sec. 147.15. APPLICATION: Application may be made at the time and place designated by the board or at a regular meeting. Applicants for licenses to practice medicine and surgery or osteopathy and surgery shall present satisfactory evidence of good moral and professional character, and of having completed a preliminary education equivalent to graduation from an accredited high school of this state, and also a diploma from a reputable professional college. Applicants for licenses to practice medicine and surgery shall present also satisfactory evidence of having completed a two years' college course in physics, chemistry, biology and either German or French, the equivalent of a two years' premedical course at the University of Wisconsin, and if the professional college from which a diploma is presented, does not require for graduation a hospital internship of at least twelve months in addition to a four years' course, a certificate of completion of such internship in a reputable hospital. Each applicant shall file a verified statement that he is familiar with the state health laws and the rules and regulations of the state board of health relating to communicable diseases. The application shall be accompanied by a fee, to be fixed by the board at not more than twenty dollars and five dollars additional for license if issued. An immigrant applicant shall present satisfactory evidence of having first citizenship papers, and if his professional education was completed in a foreign college, the application shall be accompanied by a fee of fifty dollars, and the further fee of five dollars upon issuance of license shall not be required. Applicants shall pay also the cost of translation into English by the board of documents and papers in a foreign language..

Sec. 147.16. EXAMINATION: Having complied with section 147.15, the applicant shall be examined in anatomy, physiology, general diagnosis, pathology, histology, chemistry, hygiene and sanitation. All applicants shall be given the same examination in the foregoing subjects, so far as practicable. Applicants for license to practice medicine and surgery, or osteopathy and surgery, shall be further examined in the branches usually taught in reputable professional colleges. A college maintaining the standard of preliminary education designated in section 147.15, and requiring at least four courses of eight months each shall be deemed reputable under this chapter.

Sec. 147.17. LICENSE: (1) If six members, find the applicant for license qualified, it shall issue a license to practice medicine and surgery, or osteopathy and surgery, signed by the president and secretary and attested by the seal. A copy of the applicant's statement of familiarity with health laws and rules shall then be forwarded to the state board of health. The board may license without examination a person holding a license to practice medicine and surgery, or osteopathy and surgery, in another state, if in such state the requirements imposed are equivalent to those of this state, upon presentation of the license and a diploma from a reputable professional college, or an honorably discharged surgeon of the army or navy, or of the federal public health service, upon filing of a sworn and authenticated copy of his discharge. Fee for license without examination shall be fixed by the board, at not less than the reciprocity fee in the State whose license the applicant presents, and in no case less than fifty dollars. A person licensed before 1916 to practice osteopathy, shall be licensed to practice surgery upon presenting satisfactory evidence of having completed a course in surgery at a reputable osteopathic college, requiring not less than twenty months' actual attendance, and the regular examination of the board in surgery, and being found qualified by six members. The board may deny the application of one not twenty-one years of age. No certificate of registration shall be considered equivalent to a license.

(2) Any person holding a certificate of registration in accordance with the provisions of chapter 87 of the laws of 1899, who shall have been engaged in the practice of medicine, surgery or osteopathy since July 1, 1899, shall be granted a license without examination upon presenting said sertificate to the board with the application for such license and a fee of five dollars and surrender said certificate on the issuance of said license.

Sec. 147.18. ITINERANTS: Itinerant practitioners of medicine, surgery or osteopathy or of any form or system of treating the afflicted shall obtain an annual license in addition to the regular license or certificate of registration, and shall pay therefore two hundred fifty dollars per annum. Persons practicing medicine, surgery or osteopathy or professing or attempting to treat or heal ailments or injuries of the human body who go from place to place at regular or irregular intervals less frequently than once a week, are itinerant practitioners.

Sec. 147.185. MASSAGE AND HYDROTHERAPY: The board of medical examiners may issue certificates of registration to practice massage or hydrotherapy. The applicant therefor shall present satisfactory evidence of good moral and professional character and of having completed a preliminary education equivalent to graduation from an accredited high school of this state and of the completion in a scientific or professional school of an adequate course in physiology, descriptive anatomy, pathology and hygiene, and shall file a verified statement that he is familiar with the state health laws and the rules and regulations of the state board of health relating to communicable diseases. The application shall be acompanied by a fee to be fixed by the board at not more than twenty dollars and five dollars additional for certificate if issued. The applicant shall be examined by the board in physiology, descriptive anatomy, pathology and hygiene, and shall be further examined in massage or hydrotherapy under the supervision of the board, by a registered practitioner in massage or hydrotherapy selected by the board and receiving the same compensation as board members. If a majority of the board find the applicant qualified it shall issue a certificate of registration to practice massage or hydrotherapy, signed by the president and secretary and attested by the seal, which certificate shall authorize practice in massage or hydrotherapy or educational gymnastics, but not the treatment of a specific disease, except upon the advice of a licensed medical physician. A copy of the applicant's statements of familiarity with health laws and rules shall be forwarded to the state board of health. The provisions of section 147.15, relating to immigrant applicants and translations, shall apply to application under this section.

Sec. 147.19. EXCEPTIONS: (1) Sections 147.14 to 147.18, shall not apply to commissioned surgeons of the army, navy, federal health service, or to medical or osteopathic physicians of other states or countries in actual consultation with resident licensed practitioners of this state, nor to the gratuitous prescribing and administering of family remedies or treatment rendered in an emergency.

(2) None of the provisions of this chapter or the laws of the state regulating the practice of medicine or healing shall be construed to interfere with the practice of Christian Science, or with any person who administers to or treats the sick or suffering by mental or spiritual means, nor shall any person who selects such treatment for the cure of disease be compelled to submit to any form of medical treatment.

Sec. 147.20. REVOCATION: (1) The words "immoral or unprofessional conduct" as used in this section mean: (a) procuring, aiding or abetting a criminal abortion; (b) advertising in any manner either in his own name or under the name of another person, or concern, actual or pretended, in any newspaper, pamphlet, circular, or other written or printed paper or document the curing of veneral diseases, the restoration of "lost manhood," the treatment and curing of private diseases peculiar to men or women, or the advertising or holding himself out to the public in any manner as a specialist in diseases of the sexual organs, or diseases caused by sexual weakness, self-abuse or excessive indulgences, or in any diseases of a like nature or produced by a like cause, or the advertising of any medicine or any means whatever whereby the monthly periods of women can be regulated or the menses re-established, if suppressed, or being employed by or in the service of any person, or concern, actual or pretended so advertising; (c) the obtaining of any fee, or offering to accept a fee on the assurance or promise that a manifestly incurable disease can be or will be permanently cured; (d) wilfully betraying a professional secret; (e) indulging in the drug habit; (f) conviction of an offense involving moral turpitude.

(2) Upon verified complaint in writing to the district attorney charging the holder of a license or certificate of registration from the state board of medical examiners with having been guilty of immoral or unprofessional conduct or with having procured his certificate or license by fraud or perjury, or through error, the district attorney shall bring civil action in the circuit court against the holder and in the name of the state as plaintiff to revoke the license or certificate. The court may appoint counsel to assist the district attorney and either party may demand a jury. No one shall be privileged from testifying fully or producing evidence, but he shall not be prosecuted or subject to penalty on account of anything about which he so does, except for perjury in so doing. If the court or the jury finds for the plaintiff, judgment shall be rendered revoking the license or certificate, and the clerk of the court shall file a certified copy of the judgment with the board of medical examiners. The costs shall be paid by the county, but if the court shall determine that the complaint made to the district attorney was wilful and malicious and without probable cause, it shall enter judgment against the person making the complaint for the costs of the action, and payment of the same may be enforced by execution against the body as in tort actions.

(3) When any person licensed or registered by the board of medical examiners is convicted of a crime committed in the course of his professional conduct, the clerk of the court shall file with the board of medical examiners a certified copy of the information and of the verdict and judgment, and upon such filing the board shall revoke the license or certificate.

Sec. 147.21. PENALTY: Anyone violating any provision of this chapter shall be fined not less than one hundred nor more than five hundred dollars, or imprisoned not less than sixty days nor more than one year, or both.

Sec. 147.22. MALPRACTICE: Anyone practicing medicine, surgery, osteopathy, or any other form or system of treating the afflicted without having a license or a certificate of registration authorizing him so to do, shall be liable to the penalties and liabilities for malpractice; and ignorance on his part shall not lessen such liabilty for failing to perform or for negligently or unskilfully performing or attempting to perform any duty assumed, and which is ordinarily performed by authorized practitioners.

MEDICAL PRACTICE ACT OF WYOMING

Wyoming Compiled Statutes, 1920, Chapter 216;
As Amended Laws of 1925,
Chapter 126

Section 3513. APPOINTMENT OF BOARD: The governor, by and with the consent of the senate, shall appoint five regularly licensed physicians of the state of Wyoming, who shall constitute the State Board of Medical Examiners, and who shall hold office for a term of four years. Any vacancy which may occur in said board from any cause shall be filled by appointment by the governor, and the physician so appointed shall hold his office until the expiration of the term.

Sec. 3514. ORGANIZATION: The members of the said board of Medical Examiners shall meet and organize within thirty days after their appointment by taking an oath faithfully to discharge the duties of their office, which oath shall be filed with the secretary of state, and by the election of a president, a vice-president and a secretary. They shall provide such blanks and certificates as are necessary to comply with the provisions of this chapter and an appropriate seal, which shall be attached to all official papers issued by the said board, and they shall from time to time adopt such rules and regulations as shall be deemed necessary in the performance of their duties consistent with the requirements of this chapter.

Sec. 3515. DUTIES: It shall be the duty of the said board to pass upon the qualifications and determine the fitness of all persons who may desire to practice medicine, surgery and obstetrics, or who may publicly profess in any manner to assume the responsibility of the care or treatment of disease, injury or deformity of human beings in the state.

Sec. 3516. REQUIREMENTS: Every person except as hereinafter provided, wishing to engage in the practice of medicine and surgery, or either of them, within the state, shall immediately, and prior to commencing the same, make a written application to the State Medical Examining Board, for a license so to do. The applicant shall transmit with said application his or her diploma, together with an affidavit setting forth that said diploma is genuine and that the applicant is the rightful possessor thereof, and the identical person named therein, and that the same was obtained by pursuing the regular course of study or examination in said institution, and setting forth that he or she is a citizen of the United States.

He shall appear before the State Board of Medical Examiners in person at a time and place appointed, and shall pass an examination sufficiently strict to test his qualification as a practitioner. Said examination may be in whole or in part in writing. It shall be of an elementary and practical character, and shall be upon the following subjects: Anatomy, physiology, chemistry and toxicology, pathology, physical diagnosis, gynecology, the principles of surgery, obstetrics, hygiene and bacteriology. He shall further be required to pass an examination in such branches as are necessary to complete the system of which he is a practitioner. If the applicant is a practitioner of any school or system not represented in the membership of the board the board shall have authority to call a regularly licensed practitioner of that system to assist in the examination. The practitioner thus called shall receive a compensation of $5 for each person examined. An average grade of 75 per cent. in all the branches of the examination shall be required; provided, that the applicant shall not pass lower than 60 per cent. in any one branch. Said examination shall be conducted by and under the supervision of the secretary of the board, with such assistance from the other members as shall be agreed upon by them. Said examination shall be held at stated periods to suit the convenience of the board and the applicants; provided, that not more than four examinations shall be held in any one year.

The president and secretary of the State Board of Medical Examiners shall issue certificates to all persons who successfully pass said examinations and such certificates, after being duly recorded as hereinafter provided, shall be deemed licenses to practice medicine in all branches in which the applicant has taken examination in this state. Every applicant for license under any of the provisions of this chapter must furnish sufficient evidence to the board that he or she is of good moral character, and that he or she is not the victim of such habits as shall cause him or her to endanger the lives of those entrusted to his or her care. No application for license to practice medicine in this state shall be rejected because of adherence to a particular school of practice. All persons who are licensed practitioners in this state prior to the passage of this section shall be exempt from its requirements.

Sec. 3517. APPLICATIONS; FEES: The State Board of Medical Examiners shall receive, through its secretary, applications for certificates and examinations. A fee of $25 shall accompany each application. Should the applicant fail to pass the examination he may present himself at any time within a period of one year for another examination without the payment of an additional fee.

Sec. 3518. MEDICAL PRACTICE LAW OF ALASKA

Laws of Alaska, 1917, Chapter 8; As Amended Laws of 1921, Chapter 18.

Section 1. WHO MAY PRACTICE: That from and after the promulgation of this Act no person, excepting those already engaged in practice of medicine and surgery under existing laws, shall practice medicine or surgery in either of their departments within the Territory of Alaska, unless such person shall possess all the credentials and qualifications required by this Act.

Sec. 2. BOARD OF EXAMINERS: The governor of Alaska shall appoint a board of examiners, to be known as the Territorial Medical Examining Board, consisting of eight (8) members, two from each of the four judicial divisions of Alaska, who shall be learned and skilled in the theory and practice of medicine and surgery and shall be legal practitioners of medicine and surgery in Alaska. Said members shall be appointed for a term of four years and shall hold their office until their successors are appointed and qualified. In the event that a member is unavoidably prevented from attending a regular meeting of the Board of Examiners, the governor is authorized to appoint a properly qualified physician as substitute examiner to serve pro tem. and with the same duties and responsibilities as the regular member, so unavoidably absent.

Sec. 3. POWERS AND DUTIES OF BOARD: The members of said board shall, before entering upon their duties as such members, take and subscribe an oath to support the constitution and laws of the United States and the Territory of Alaska, and to well and faithfully and without partiality perform the duties of such office according to the best of their knowledge and ability; which oaths shall be filed and preserved for record in the office of the secretary of said board. Said medical board shall elect a president and a secretary-treasurer, from their membership and shall have a common seal. The president and secretary-treasurer shall have the power to administer oaths. The said Medical Examining Board shall hold their meetings for examination commencing on the first Tuesday of March and the first Tuesday of September of each year; said meetings shall be held at Juneau, Alaska, or at such other place as the board shall designate. Two members of said board shall constitute a quorum for the transaction of all business, that may properly come before said board, except the issuance and revocation of licenses.

Sec. 4. RECORDS AND REPORTS; BONDS: The board shall preserve a record of all its proceedings, which record shall show the name, age, place of residence and duration thereof of each applicant for license, the time spent in medical study, and where, and the year and school from which degrees were granted; said record shall also show whether applicant was granted a license or rejected, and shall be prima facie evidence of all matters contained therein and may be introduced in evidence in any court having the trial of any of the violations of the law herein created, by the production of a copy of the same under the seal of said board. The said medical board shall report annually to the governor, furnishing an itemized account of all moneys received and disbursed, with a complete record of the proceedings of said board for the year preceding; and the treasurer shall furnish a bond to be fixed and approved by the governor and filed in his office. The governor may for cause remove any member of the board at any time. If impracticable, it shall not be obligatory for members residing in another judicial division to attend the meetings of the board.

Sec. 5. APPLICATIONS; QUALIFICATIONS; EXAMINATIONS: Hereafter every person, not now legally practicing medicine or surgery in Alaska, who desires to practice medicine or surgery or either of them in any of their branches, in the Territory of Alaska, shall first make a written application to the Board of Medical Examiners for a license so to do, which application shall state the name, age and place of residence of the applicant, and the duration thereof, and the time spent in medical study, and where, and the year and school in which degrees were granted, which application shall be sworn to as to its verity before someone authorized to administer oaths. That each applicant for such license shall be not less than twenty-one (21) years of age, shall furnish a certificate of good moral character, and submit a certificate of graduation from a legally chartered medical school whose requirements for graduation shall have been at the time of granting said certificate not less than the requirements of the Association of the American Medical Colleges of the day in which said applicant graduated; and in addittion a certificate from a recognized hospital certifying that the recipient has faithfully performed the duties of resident physician or intern for the period of one year, unless he has been a licensed physician engaged in active practice of the profession for a term of four years. Such applicant at the time and place designated by said board, or at the regular meeting of said board, shall submit to an examination in the following branches: anatomy, physiology, chemistry, materia medica, therapeutics, pathology, hygiene, surgery, obstetrics, and such other branches as the board shall deem advisable. Said board shall cause said examinations to be practical and sufficient to test the candidate's fitness to practice medicine and surgery. In grading the answers of said examination the applicant shall be given a credit of 1 per cent. in each subject for each year of actual practice after the first two years. Said examination with the answers thereto shall be in writing and in the English language, and the same shall be preserved and filed of record in the office of the secretary of the board. After examinations, if the same be satisfactory, said board shall grant a license to such applicant to practice medicine and surgery in the Territory of Alaska, which said license can only be granted by and with the consent of not less than five members of said board, and each license shall be signed by the secretary and president of said board, and attested by the seal thereof. If said examination shall be unsatisfactory to the board or if the applicant shall fail to pay the fee herein prescribed or shall otherwise fail to comply with any of the other requirements of this Act, the board shall refuse to grant the license.

In all cases where an applicant for a license under this Act shall produce and exhibit to the Board of Examiners, a license from a board of medical examiners appointed under the laws of any state of the United States, said board recognizing licenses from this territory and issuing reciprocal licenses therewith, and a certificate to the fact that the said person presenting said license is duly and well qualified to practice medicine and surgery in the states issuing said license, and that said license was issued after a thorough examination to ascertain this fact, he or she may, at the discretion of the Board of Medical Examiners, upon payment of the fee herein prescribed and otherwise complying with all the requirements of this Act receive a license to practice medicine and surgery as if the examination of said applicant was held in Alaska.

Sec. 6. FEES: The fee for such examination shall be twenty-five dollars ($25.00) and shall be paid by the applicant to the secretary-treasurer of said board at the time of making application for examination. The said fee is returnable only in case the applicant is unavoidably prevented from taking the said examination. The fee for a license issued through reciprocity with another state shall be one hundred dollars ($100), which amount shall be paid to the Treasurer of the Territory; also all fees for licenses hereafter collected by said Board of Medical Examiners shall be likewise paid to the Territorial Treasury.

Sec. 7. REVOCATION OF LICENSE: Any license now in existence or that may hereafter be issued may be revoked by the board for unprofessional and dishonorable conduct, as hereinafter defined.

Sec. 8. UNPROFESSIONAL OR DISHONORABLE CONDUCT: The words "unprofessional or dishonorable conduct" as used in the last preceding section are hereby declared to mean:

(1) Procuring or aiding and abetting in procuring a criminal abortion;

(2) Habitual intemperance or addiction to the use of morphine, cocaine, or other drugs having a similar effect;

(3) Conviction of any offense involving moral turpitude;

(4) Evidence of deceit or fraud in advertising or performing any surgical operation;

(5) Wilfully betraying a professional secret;

(6) Untruthful or fraudulent statements in the application for examination, or the practice of deceit or cheating in any manner during the examination for license, or the procuring of a license by deceit or fraud;

(7) Committing any of the acts respecting giving or prescribing narcotics which are prohibited by the federal statute, generally known as the "Harrison Anti-Narcotic Act."

Sec. 9. REFUSING OR REVOKING LICENSE: In any case of the refusal or revocation of a license by the board under the provisions of this Act, the said board shall file a brief and concise statement of the grounds and reasons for such refusal or revocation in the office of the secretary of said board, which said statement, together with the decision of the board in writing, shall remain of record in said office. Before a license can be revoked by said board for unprofessional or dishonorable conduct under the provisions of this Act, a complaint of some person under oath must be filed in the office of the secretary of said board charging said acts and facts complained of against the licentiate accused, in ordinary and concise language, and thereupon said board at its discretion shall cause to be served upon said accused licentiate a written notice and copy of such complaint, which said notice shall contain a statement of the time and place of hearing of the matters and things set forth and charged in said complaint, and said notice shall be served at least sixty days prior to the time of such hearing. Such accused licentiate may appear at such hearing and defend himself against the accusation of such complaint personally or by counsel and may have the sworn testimony of witnesses taken and present other evidence in his behalf at such hearing, and said board shall also have the right to select counsel to prosecute said charges before said board should it deem it necessary to do so. Any witness who is being examined by said board or whose deposition is being taken to be offered as evidence before said board upon the trial of the revocation of any license, who shall swear falsely to any material fact, shall be deemed guilty of perjury and may be prosecuted accordingly.

Sec. 10. REVOCATION OF LICENSE: It is further provided that the above sections in regard to the revocation of licenses to practice medicine and surgery shall apply equally to all persons who are now practicing medicine or surgery, or both, under existing laws.

Sec. 11. RECORDING LICENSE: The persons receiving said license shall, before he or she commences the practice of medicine and surgery, or any of their branches, have the same or a certified copy thereof filed with the clerk of the court in and for the judicial division wherein he or she contemplates the practice of medicine and surgery, and said clerk of the court shall file and preserve said certificate in his office and enter a memorandum thereof, giving the date of said license, the ground upon which the same was issued, with the name and address of the party holding the same, in a book to be provided for that purpose; which certificate and record shall be subject to public inspection. Said clerk shall furnish to the secretary of said board a notice of all such licenses thus recorded. In case a person so licensed shall move into another judicial division of the Territory of Alaska he or she shall have said license, or a certified copy thereof again recorded as above provided in said new division. Proof of failure to have said license, or a certified copy thereof, recorded as herein provided shall be prima facie evidence of a violation of this Act, and shall subject the party to punishment as herein provided.

Sec. 12. RE-EXAMINATION: In case of failure at any final examination, the applicant shall have, after the expiration of six months and within two years, the privilege of a second examination by the board without the payment of additional fee. In case of failure in a second final examination, the applicant must enter de novo and only after a year of postgraduate study approved by the board, and must qualify under the conditions obtaining at the time of the second application.

Sec. 13. PENALTIES: Any person practicing medicine or surgery or any of their branches within the Territory of Alaska without first having obtained and had filed a license as provided for in this Act, or contrary to the provision of this Act, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined not less than fifty dollars nor more than one hundred dollars, or imprisoned in jail not less than ten days nor more than ninety days, or by both such fine and imprisonment. In all prosecutions under this Act, evidence that the defendant has failed to file a license with the clerk of the court as herein required shall be prima facie evidence that the defendant is not a legally licensed practitioner. And each day of such illegal practice shall be deemed a separate offense under this Act.

Sec. 14. DEFINITION OF "MEDICAL PRACTICE": Any person shall be deemed as practicing within the meaning of this Act, who shall have and maintain an office or place of business for the purpose of treating the sick or injured for pay, or who shall publicly display his or her name and words "Physician," or "Surgeon", "M.D.", "Dr.", or "Doctor," in public view, or shall assume or advertise any title which shall show or tend to show that the person assuming or advertising the same is willing or qualified to treat the sick or injured, or who for a fee shall prescribe, direct, or recommend for the use of any person, any drug or medicine for the treatment, cure or relief of any disease, infirmity, bodily injury, or defect, or for a fee perform any surgical operation for the cure, relief or reduction of any disease, bodily injury, deformity, or defect. MEDICAL PRACTICE ACT OF THE REPUBLIC OF PANAMA

Laws of 1928, Law No. 51

Article 1. The National Board of Health shall consist of five members to be appointed by the Chief Executive for a period of four years, and of five alternates. In order to be a member of the National Board of Health, one must be a citizen of the Republic of Panama; one must hold a medical diploma duly revalidated in accordance with the provisions of the administrative code, and must have practiced medicine within the territory of the Republic for at least four years.

The Sanitary Engineer and the Director of Hygiene and Public Health shall be ex officio members of the National Board of Health, with the right of discussion but without the right to vote.

Art. 2. The National Institute of Health shall choose its *Directiva*, or executive committtee, which shall consist of a president, a vice president, three voting members and a foreign Secretary.

Art. 3. Membership in the National Board of Health is honorary, being without emoluments, except that the Secretary shall receive sixty balboas ($48) per month.

Art. 4. The National Board of Health, in addition to the duties imposed on it by articles 1412 to 1422 of the administrative code and by Act 18 of 1904, shall perform the following functions that have not been expressly laid down by legal enactment:

Section 1. To serve as a board of consultation of the Department of Hygiene and Public Health and of the St. Thomas Hospital.

Sec. 2. To revoke or suspend the licenses of physicians, midwives, nurses, *practicantes* (vid. section 5 below), and others, whenever they shall have committed a grave misdemeanor in the practice of their profession or shall have been convicted of unprofessional conduct.

Sec. 3. To impose fines on persons guilty of infractions of its regulations or the measures that it has authorized. Such fines shall not be less than ten balboas ($8) nor more than two hundred balboas ($160).

Sec. 4. To review the situation and to determine the quantity of narcotic drugs that may be imported, being authorized to limit the quantities that may be imported, in accordance with the needs of the country.

Sec. 5. To issue certificates to *practicantes;* namely, persons who, though holding no medical degree, have demonstrated, through examination, that they possess an elementary knowledge of practical medicine. Such a certificate entitles the holder to give medical advice in those regions of the Republic that are not of easy access to a duly licensed physician. These certificates are subject to renewal every year, and the National Board of Health may revoke them whenever it thinks that the public interests demand it. To satisfy the requirements of article 1416 of the administrative code, the *practicantes* will be examined in practical medicine by two physicians, for which privilege they will pay previously into the public treasury the sum of twenty-five balboas ($20). Each examinee shall pay to the examiners as a fee two balboas ($1.60) for each session of the examination.

The board will meet *motu proprio* once a month, and whenever it may be convened by the Chief Executive or by the director of Hygiene and Public Health, or by the majority of its members.

Art. 5. The National Board of Health shall answer all questions that may be submitted to it by the National Department of Hygiene and Public Health within four weeks.

Art. 6. The National Board of Health shall organize all matters pertaining to the professions of medicine and surgery, obstetrics, midwifery, practice of medicine by so-called *practicantes*, optometry and veterinary medicine, and shall supervise them. It shall be the duty of the Board to decide on the kinds of narcotic drugs that may be used or the importation of which may be permitted. The National Board shall render an annual report to the Chief Executive on its activities.

Art. 7. The director of Hygiene and Public Health shall carry out the decisions of the National Board of Health, which shall be mandatory when they shall have been approved by the Chief Executive.

Art. 8. The secretaries of the Board of Pharmacy and the Board of Dentistry shall receive five balboas ($4) for each session held by either of these boards.

Art. 9. No person shall perform the duties of *médico oficial* without having first deposited a testimonial testifying to his fitness, which must be duly revalidated by the National Board of Health.

Art. 10. The National Board of Health, in sending out the certificates authorizing physicians to practice medicine in the Republic of Panama, shall make clear to them their obligation to render service at any hour of the day or night that such service may be requested.

The failure to perform such services shall be punished by the Board by the imposition of a fine ranging in amount between ten ($8) and twenty-five balboas ($20), depending on the reincidency of the person concerned (that is, as to whether it is the first, second or third offense, etc., of the kind).

Art. 11. The National Board of Health shall establish the fee schedule to be applied by physicians who practice their profession within the Republic of Panama.

Art. 12. The obligation set forth in article 9 of this Act is applicable to all physicians who are practicing their profession at the present time.

Art. 13. All provisions in conflict with the present Act are hereby repealed.

Art. 14. This Act shall go into effect as soon as it is approved,

Done in Panama, on the twenty-third day of the month of November, nineteen hundred and twenty-eight.

MEDICAL PRACTICE ACT OF THE TERRITORY OF HAWAII

Revised Laws of Hawaii, 1925, Chapter 81, as Amended Session Laws 1925, Act 26.

Section 1022 LICENSE: Except as otherwise provided by law, no person shall practice medicine or surgery in the territory of Hawaii either gratuitously or for pay, or shall offer to so practice, or shall advertise or announce himself, either publicly or privately, as prepared or qualified to so practice, or shall append the letters "Dr." to his or her name, with the intent thereby to imply that he or she is a practitioner of medicine or surgery, without having a valid unrevoked license, obtained from the Board of Health of the Territory of Hawaii, in form and manner substantially as hereafter set forth. Such license shall only be granted upon the written recommendation of the Board of Medical Examiners of the Territory of Hawaii.

Provided, however, that the practice of medicine as contemplated and set forth in this chapter shall not be construed to exclude the use of any method or means or any agent either tangible or intangible by any person licensed to practice osteopathy, for the treatment of disease in the human subject; provided, that no person so licensed to practice osteopathy shall, by reason thereof, be authorized to administer drugs or medicines, or to perform any surgical operation.

And further provided, that nothing herein contained shall apply to so-called Christian Scientists so long as they merely practice the religious tenets of their church without pretending a knowledge of medicine or surgery; provided that the laws and regulations relating to contagious diseases are not violated.

And provided further, that licenses to practice chiropractic shall be granted by the Board of Health, upon payment of the sum of $10 to graduates holding diplomas from any legally chartered and regularly conducted school or college of chiropractic, and further provided, that a certificate to practice chiropractic has first been obtained from any state board of chiropractic examiners, until there is a board of chiropractic examiners appointed from among the chiropractors of the Territory of Hawaii, for said territory. And provided further, that the practice of medicine as contemplated and set forth in this chapter shall not be construed to exclude the use of any method or means, or any agent, either tangible or intangible, by any person licensed to practice chiropractic, for the treatment of disease in the human subject, provided that no person so licensed to practice chiropractic shall, by reason thereof, be authorized to administer drugs or medicine, or to perform any surgical operation. Any person applying for a license to practice chiropractic shall file with the Board of Health a certified copy of such diploma, and satisfactory evidence that the applicant is a fit and proper person to be so licensed to practice chiropractic and a certified copy of a certificate from a state board of chiropractic examiners certifying that the applicant has passed the required examination and is entitled to practice chiropractic in that state.

Provided further, that every chiropractor so licensed shall be required to report infectious and contagious diseases, as provided in Section 932, of the Revised Laws of Hawaii, 1925.

Sec. 1023. "PRACTICE OF MEDICINE" DEFINED: For the purposes of this chapter the practice of medicine shall be held to include the use of drugs and medicines, water, electricity, hypnotism, or any means or method, or any agent, either tangible or intangible, for the treatment of disease in the human subject; provided, however, that nothing herein contained shall be held to forbid any person from the practice of any method or the application of any remedial agent or measure under the direction or with the approval of a licensed physician; and provided, further, that when a duly licensed physician pronounces a person afflicted with any disease hopeless and beyond recovery, and shall give a written certificate to that effect to the person afflicted or his or her attendant, nothing herein contained shall be held or construed to forbid any person from giving or furnishing any remedial agent or measure when so requested by or on behalf of such afflicted person.

The provisions of this section shall not be construed to amend or repeal the law respecting leprosy or segregation.

Sec. 1024. BOARD OF MEDICAL EXAMINERS: Except as otherwise provided by law, no person shall be licensed to practice medicine or surgery except upon the written report of a Board of Medical Examiners, to be appointed and constituted as in this chapter provided, setting forth that the applicant named therein has been duly examined and found to be possessed of the necessary qualifications.

Provided, however, that the Board of Health may grant a temporary license to practice medicine or surgery on recommendation of the president of the Board of Health to any person who shall present to the said president proof of his good moral character and a diploma issued by a medical school or college classified as Class "A" in the classification of the American Medical Association or in lieu of such a diploma proof of at least three years' practice as a licensed physician of medicine or surgery in some other jurisdiction, or as a physician of medicine or surgery in the army or navy of the United States of America; such a temporary license so issued as aforesaid shall be automatically revoked without privilege of renewal upon the date of the completion of the next succeeding examination for permanent licenses to be held by the Board of Medical Examiners, who shall hold such examination quarterly. The holder of such a temporary license shall be entitled to all the privileges and subject to all the obligations and conditions of a holder of a permanent license while such temporary license remains unrevoked; provided further, that the expenses incident to the conducting of examinations aforesaid shall be paid out of office expenses of the Board of Health upon vouchers made by a majority of the Board of Medical Examiners and approved by the president of the Board of Health.

Sec. 1025. APPOINTMENT; REMOVAL; QUALIFICATIONS: For the purpose of carrying out the provisions of this chapter the governor is authorized and directed to appoint in the manner prescribed in Section 80 of the Organic Act, a Board of Medical Examiners, whose duty it shall be to examine all applicants for license to practice medicine or surgery, and to report the result of such examination to the Board of Health.

Such Board of Medical Examiners shall consist of three persons, all of whom shall be licensed physicians or surgeons under the laws of the territory. The appointments, unless to fill out unexpired terms, shall be for three years, subject, however, to removal by the governor in the manner prescribed in Section 80 of the Organic Act. The members of the Board of Medical Examiners shall serve without pay.

Sec. 1026. FEES: No application for a temporary license to practice medicine or surgery shall be considered until the applicant shall have paid to the Board of Health a fee of $10, and no applicant for a permanent license to practice medicine or surgery shall be examined, nor shall a license to practice osteopathy or chiropractic be granted, until the applicant shall have paid to the Board of Health a fee of $25.

Sec. 774. Sec. 775. The term "reputable medical school" as used in this chapter is hereby declared to mean such medical schools or colleges as are legally chartered and recognized, which were in good standing at the time of graduation of the applicant, and which five years after the approval of the Act and thereafter, maintain proper standards of medical education, as specified below, and which require as a minimum for admission, two years after the approval of this Act and thereafter, the preliminary education specified below.

Only such medical schools or colleges will be considered reputable and in good standing, within the meaning of this section, which have a faculty of reasonable size to give proper laboratory and clinical instruction to their students in the various branches of the medical curriculum; which have sufficient laboratory equipment and hospital facilities comprising at least a minimum of one hundred teaching ward beds for giving the necessary laboratory and clinical instruction; require for graduation the satisfactory completion of not less than four courses or sessions of not less than eight months each, in four different calendar years, with not less than thirty-five hours of instruction each week plus nine months of hospital internship or clinical work in a hospital; which require attendance upon at least eighty per cent of each course of instruction, and which fulfill their published promises concerning entrance requirement, courses of instruction given, and advantages which may be offered to students in regard to facilities for laboratory and clinical teaching.

Within the meaning of this section, a reputable medical school or college, and in good standing, shall require for the admission of students, the satisfactory completion of not less than two years, of sixty semester hours, in an approved college of liberal arts and science, after the completion of a standard four-year high-school course, representing fourteen high-school units, or its equivalent, as shown by examination.

The examinations shall be practical and fundamental in character, so that the questions may be understood and answered by the candidates. The questions asked in the written examination shall be submitted to the entire board and approved by that body before the examination is held, and, in the same way, the rating or grading by individual examiners shall be submitted to, and approved by a majority of the board.

Any answer paper bearing a candidate's name, or any other designation which would or could reveal the candidate's identity, must be forwarded to the secretary of the board for rating, making sure that no evidence as to the identity of the candidate remains on the answer paper.

All questions and answers, as rated, passed upon, and marked with their respective average, shall be properly preserved for three years.

The papers shall be graded upon a scale of one hundred per cent, and a general average of not less than seventy per cent, with not less than fifty per cent in any subject shall be required for a certificate of registration.

Any applicant who presents satisfactory evidence that he or she is at least nineteen years of age, of good moral character and has had a satisfactory preliminary education, as specified in this Act, and who presents proper credentials signed by the dean and bearing the seal of a legally incorporated and reputable medical school or college, under the provisions of this Act, to show that he or she has successfully completed at least two of the required four graded courses or sessions in said school, of not less than thirty-two weeks each, of not less than thirty-five hours each week, in two different calendar years, may be examined by the board, at its discretion, in anatomy, histology, biochemistry, physiology, and bacteriology; and if such an applicant is found to be proficient in these subjects, he or she shall be exempt from further examinations in these subjects at the time of the final examinations.

In case of failure in any subject at any primary examinations given in accordance with the next preceding paragraph, the candidate shall not then be re-examined in such subject in which he may have failed, until the completion of the required four courses of medical study and nine months of internship provided for in this Act when such candidate shall be admitted to the final examination.

The results of all examinations, including the average and grades obtained by each applicant, shall be submitted for confirmation to the department head and made known to the respective candidates within one month after the date of the examination.

Sec. 778. FEES TO BE COLLECTED: The secretary-treasurer of the board shall collect a fee of fifty pesos from each candidate for the examination for the certificate of registration as a physician. Those applicants who take the preliminary examinations after two years in a medical school, shall pay twenty-five pesos prior to such examinations and twenty-five pesos prior to the final examination. No additional fee shall be charged for the certificate of the registration to those who pass the examination successfully.

The secretary-treasurer shall collect a fee of twenty pesos for each certificate issued to a midwife.

Sec. 779. REFUSAL OF CERTIFICATE FOR CERTAIN CAUSES: The board may refuse to issue any of the certificates herein above provided for to any individual convicted by a court of competent jurisdiction of any offense involving immoral or dishonorable conduct. In case of such refusal the reason therefor shall be stated to the applicant in writing.

Sec. 780. REVOCATION OF CERTIFICATES AND PROCEDURE: The board may also suspend or revoke any certificate of registration issued by it, or by the lawful board which was its predecessor, through error or fraud, or for the cause stated in the preceding section, or for unprofessional conduct.

The words "unprofessional, immoral, or dishonorable conduct," as used in this chapter, shall be construed to include the following acts: (1) Procuring, aiding, or abetting a criminal abortion; (2) advertising, either in his own name or in the name of another person, firm, association or corporation, in any written or printed paper, or document, of medical business in which untruthful or improbable promises are made, or being employed by, or in the service of any person, firm, association or corporation so advertising, or advertising in any obscene manner or in a manner derogatory to good morals; (3) habitual intemperance or addiction to the use of morphine, opium, cocaine or other drugs having a similar effect; (4) conviction of a crime or misdemeanor involving dishonorable conduct, and (5) wilfully betraying a professional secret.

Proceedings for revocation of a certificate of registration shall be begun by filing a written charge or charges against the accused. These charges may be preferred by any person or persons, firm or corporation, or the Board of Medical Examiners itself may direct its executive officer to prepare said charges. Said charges shall be filed with the executive officer of the Board of Medical Examiners and a copy thereof, together with written notice of the time and place when they will be heard and determined, shall be served upon the accused or his counsel, at least two weeks before the date actually fixed for said hearing.

The board shall give the accused a hearing, at which he shall have the right to appear personally or by counsel to cross-examine witnesses, and to procure witnesses in his defense. The board shall have authority to subpoena witnesses.

The board shall make a written report of its findings, signed by at least three members of the board, to the head of the department and shall furnish the accused a copy of the same. The accused shall have the right to appeal to the department head, whose decision shall be final.

If the board shall find that the charges are sustained, the board may, at its discretion, by a majority vote of all the members of the board, suspend or revoke the certificate of registration, and shall thereupon transmit to the registrar of deeds in the province or city in which said accused person is registered as physician, a certificate under its seal, certifying to the action taken by the board and giving notice that registration has been annulled. Said registrar of deeds shall upon the receipt of said certificate, file the same forthwith, mark said registration annulled.

Any person who shall practice medicine after his certificate of registration has been suspended or revoked by the board and after his registration has been annulled in the office of the registrar of deeds in the city or province in which it was registered, shall be deemed to have practiced medicine without registration. Where the certificate of registration has been revoked as herein provided, the board may, after the expiration of one year, entertain an application for a new certificate of registration, in the same manner that new ones are issued, and in doing so may in their discretion, exempt the applicant from the necessity of undergoing any examination.

Sec. 10. Any candidate failing to pass the required examination or who for justified cause, acceptable to the Board, fails to report for examination after proper call, shall have the privilege of being admitted to the next examination free of charge. The amount of said fee shall not be returned to the applicant for failure to report for the examination nor for having failed to pass.

Sec. 13. Sec. 14. REQUIREMENTS FOR EXAMINATION TO PRACTICE: Any person aspiring to obtain a license to practice the profession of medicine and surgery or of osteopathy in the Island of Porto Rico, shall be an American citizen and may obtain the corresponding license whether by meeting, to the satisfaction of the board, all the requirements for admission to examinations enumerated in Section 6 of this Act, and satisfactorily passing the same, or by endorsement of a license to practice medicine and surgery or osteopathy obtained on examination in any State of the United States with which the Board of Medical Examiners of Porto Rico shall have established relations of reciprocity as authorized by Section 9 of this Act. Applicants for licenses obtainable upon examination shall fulfill the following minimum requirements of preliminary education: (1) They shall possess a diploma issued by a high school requiring a minimum course of four years the standard of which, at least, shall be equal to the standard established for high schools in Porto Rico by the Department of Education of this Island. (2) They shall have passed not less than a two-year course in an authorized college of liberal arts or sciences where extensive studies are required and approved, among other subjects, in organic and inorganic chemistry, advanced physics, advanced biology and in one foreign language. The requisites of professional education shall consist of a diploma or degree of physician and surgeon showing that the applicant has pursued and passed in at least four courses of not less than seven months each during four different years in the medical schools of the United States or of foreign countries registered by the board and maintaining the highest educational level in subjects proper to the profession, as enumerated in Section 6 of this Act. Besides its own judgment in the registration of recognized medical schools, the board shall have power to govern itself in such registration by the classification adopted by the state boards of the United States with which reciprocity is maintained. In cases of studies pursued and passed in foreign medical schools or universities, it shall lie in the discretion of the board to appreciate the equivalence of the preliminary education and professional requirements offered by the applicant as compared with those required by this Act. When the applicant meets the foregoing requirements and desires to be admitted to examination, he shall fill out the blanks or form furnished by the board showing under oath his identity, the genuineness of the diplomas or degrees possessed by him, that he is of age and of good conduct and repute. The applicant having been admitted and having passed the examination established under Section 6 of this Act, the board shall issue to the interested party a license authorizing him freely to practice the profession of medicine and surgery or osteopathy in the Island of Porto Rico. The provisions of this section shall be applicable to osteopaths to the full extent of the studies comprised in this profession; *Provided,* That no osteopath shall intervene in any case of parturition or with patients affected with gynecological trouble, nor prescribe any medicine whatever. Violations of these provisions shall constitute illegal practice of medicine with the consequent responsibilities; *Provided,* further, that in the case of medical authorities of high scientific reputation coming to the Island of Porto Rico and desiring to practice medicine, the Board of Medical Examiners is hereby authorized, after ascertaining the merits and scientific authority of the interested party, to issue the corresponding temporary license to practice medicine and surgery in Porto Rico.

Nothing in this section contained shall be applicable to such persons as shall have taken steps before the Board of Medical Examiners of Porto Rico for admission to examination, prior to the taking effect of this Act.

Sec. 15. GOVERNMENT OFFICERS EXEMPT: United States Army, Navy and Public Health Service physicians are hereby exempted from the provisions of Sectton 11 hereof while actively engaged in their official duties, for which purpose they shall obtain a special license issued by the board, and pay a fee of twenty-five ($25) dollars, and shall also comply with the provisions of Section 14 of this Act. This right shall be understood to cease as soon as the interested party shall no longer belong to the services aforesaid; but if he has enjoyed such right for over five years of residence in the Island of Porto Rico he shall then be entitled to his permanent license, on payment of a fee of five ($5) dollars.

Sec. 16. FURTHER EXEMPTIONS: There are also exempted from the examination requirements such physician-surgeons as possess a diploma issued by the National Board of Medical Examiners, but they shall obtain a license and pay the corresponding fees according to Section 12.

Sec. 17. PROVISIONAL LICENSES: The board shall issue no provisional licenses authorizing the practice of medicine and surgery in Porto Rico, except the special licenses mentioned in Section 15.

Sec. 18. RECIPROCITY: The Board of Medical Examiners is hereby authorized to establish relations of reciprocal exemption from examination direct with those States of the

American Union, or of any other country, whose boards require the highest degree of professional training, upon such conditions and requirements as it may deem necessary; *Provided,* That the Board of Medical Examiners may grant to physicians who are citizens of other countries the same privileges that such countries may grant to physicians of the United States and of Porto Rico.

Sec. 19. REGISTRATION REQUIRED: Every person obtaining a certificate from the board, within thirty days after the issue thereof, shall cause the same to be registered in the Department of Health of Porto Rico, where a register shall be kept for the purpose, as provided by the Sanitation Act in force.

Possession of all these requirements, as well as identification of applicants shall be shown under oath with such evidence as the board may require at the time of filling out the application blanks. Besides the foregoing requirements, after the year 1925 applicants shall be required to file a license to practice as a trained nurse and a midwifery diploma obtained after theoretic practical study covering a period of not less than three years with attendance, under medical direction, of not less than fifty cases of childbirth, such studies and attendance having been carried out in some hospital or clinic duly recognized by the Director of Health jointly with the Board of Medical Examiners.

After the applicants have been accepted, they shall pass a theoretical examination which prior to the year 1925 shall consist of elementary anatomy, physiology, hygiene, therapeutics, obstetrics, gynecology, pediatrics, surgery and bacteriology, and after the year 1925 it shall be only in obstetrics, gynecology, pediatrics, and a practical test in clinical obstetrics. Both examinations shall be carried out according to such rules and regulations as the board may issue.

Such examinations having been passed the board shall issue to each applicant a license authorizing her to practice midwifery in the Island of Porto Rico; *Provided,* That such licenses shall only authorize attendance on normal cases, it being obligatory for the possessor of such license to require the aid of a physician in all cases of distocia and shall in no case administer, unless by written order of a physician, pituitary extract or any other oxytocic drug artificially to hasten the normal process of parturition or childbirth.

. . . .

He shall also file a certificate issued by the proper authorities of a high school of the Island, countersigned by the Department of Education, showing that he studied and passed in the subjects required in the first two years of studies in secondary education. He shall also possess and file a diploma obtained after three years of theoretical study and practical experience in one or more hospitals, which, fulfilling such rules and conditions as the Director of Health jointly with the Board of Medical Examiners shall determine, shall be recognized by them as competent to provide such studies and practice and to issue the aforesaid diplomas.

Applicants meeting the foregoing requirements shall be admitted to and shall pass examinations in elementary knowledge of physics, organic and inorganic chemistry, human anatomy and physiology, bacteriology, therapeutics, pharmaceutic materia, toxicology, medical and surgical pathology, public and private hygiene, asepsia and antisepsia. They shall also pass a practical test in the application of dressings and bandages, and in the treatment and handling of patients. Both examinations, the theoretical and the practical, shall be carried out according to such rules and regulations as the board may issue. To applicants having passed said examinations the board shall issue a license authorizing them freely to practice as practicantes in the Island of Porto Rico; *Provided,* That nothing in this section contained relative to qualifications and elemental knowledge of the aforesaid subjects, shall affect persons, who, prior to the approval of the Act of July 30, 1923, took their examinations and still keep their applications filed with the Board of Medical Examiners, and who shall be admitted to examination and shall be examined only upon the matters required by law before July 30, 1923; *Provided,* further, That persons holding such practicantes licenses as well as minor surgeons shall practice said profession only within such limits as the studies passed in to acquire such licenses may determine; they shall apply their knowledge solely to cases of minor surgery, or in all other cases, under the direction or supervision of a physician-surgeon; *Provided,* also, That violations of the foregoing provisions, except as first aid in cases of poisoning, serious hemorrhages, burns, serious wounds, fractures and any other urgent condition, shall be considered as illegal practice of medicine, subject to the penalty established by Section 9 of this Act and to the disciplinary penalties provided under Section 14 hereof.

Sec. 24. ARCHIVES: In accordance with the provisions of Section 10 of the original Act of 1903, the archives pertaining to the extinguished sub-delegation of medicine shall remain in possession of the Board, as well as the files of the present Board of Medical Examiners.

Sec. 25. CANCELLATION OR SUSPENSION OF LICENSE: The Board of Medical Examiners, on its own initiative or by virtue of complaint or charges duly justified by any citizen, may at any time investigate the identity of any person representing himself to be or advertising himself or passing as a physician, surgeon, osteopath, practicante, optometrist, midwife, male or female nurse, whether licensed or not by the board, and after serving written notice on the party interested, the board shall have power to require such person to file reasonable evidence, to the satisfaction of the board, that he possesses a license legally obtained to practice his profession in the Island of Porto Rico, and that such person is really the person to whom the aforesaid license was originally issued. Should the investigation show that the person complained against does not possess a license to practice or that the license possessed by him does not legitimately belong to him, the board shall cancel said license, and shall, furthermore, in either case, transmit the record to the Attorney General of Porto Rico for due prosecution of the violator in the courts of the Island; *Provided,* That the Board of Medical Examiners shall have power to withdraw and cancel temporarily or definitely the license possessed by any physician-surgeon, osteopath, practicante, optometrist, midwife, male or female nurse, upon conviction in any of the following cases: Fraud or deceit committed in the practice of his profession; felony; habitual drunkenness or addiction to the use of narcotic drugs; for provoking or aiding to provoke in any manner, method or form, a criminal abortion by a woman; repeated excesses in the professional powers established by this Act; malpractice, that is, gross and manifest incompetence to the prejudice of a third party in the practice of his profession; immoral and dishonorable conduct; *Provided,* further, That the procedure to be followed in the temporary cancellation or suspension of a license shall be instituted by one of the members of the board designated by the chairman, on complaint filed by any of the members of the board or affidavit filed by any citizen. The complaint or affidavit shall in every case state facts constituting prima facie probable cause. The defendant shall have for the purpose of his defense before the Board of Medical Examiners all the rights granted to persons accused of crime, except trial or investigation by jury; *Provided,* further, That in a case of cancellation or suspension of license the decision of the Board of Medical Examiners shall be transmitted to the prosecuting and police authorities of the Island for enforcement thereof; but that in cases referred to in the immediately preceding proviso, tried by the the board, its decision being the suspension or cancellation of a license for more than one year, such decision shall not be final nor shall it be communicated to prosecuting and police authorities until a district court shall have revised and tried the case, to which court the professional sentenced by the Board of Medical Examiners shall have the right of appeal on review, which right he shall exercise within a term of ten days.

Sec. 26. PENALTY: Every person practicing any of the professions auxillary to that of medicine and surgery as herein authorized, without a legal license therefor, shall incur in the penalty determined in Section 9 of this Act.

CHAPTER 137

An Act to Provide for the Establishment of a Medical Council in Canada.

1-2 George V

CHAPTER 16

An Act to Amend the Canada Medical Act.

Section 1. This Act may be cited as the Canada Medical Act.

Sec. 2. INTERPRETATION: In this Act, unless the context otherwise requires:

(a) "Medicine" shall be held to include surgery and obstetrics, and to exclude veterinary surgery; and "medical" shall be held to include "surgical" and "obstetrical";

(b) "Provinicial medical council" includes "provinicial medical board" and "college of physicians and surgeons";

(c) "University" shall mean any university which has a teaching medical department in connection therewith, and has the power to grant medical degrees;

(d) "Medical school" includes any institution recognized by a provincial medical council wherein medicine is taught;

(e) "The council" means the Medical Council of Canada constituted under the provisions of this Act;

(f) No retroactive effect shall be given to any provision.

Sec. 3. CONSTRUCTION OF ACT: This Act shall not be construed as authorizing the creation of medical schools or the giving of medical tuition.

Sec. 4. CONSTITUTION OF THE COUNCIL: The persons from time to time appointed or elected or otherwise being, under the provisions of this Act. members of the Medical Council of Canada, are hereby constituted a corporation under the name of the Medical Council of Canada.

Sec. 5. ITS PURPOSE: The purposes of the Council shall be to promote and effect:

(a) The establishment of a qualification in medicine, such that the holders thereof shall be acceptable and empowered to practice in all the provinces of Canada;

(b) The establishment of a register for Canada of medical practitioners, and the publication and revision from time to time of such register;

(c) The determination and fixing of the qualification and conditions necessary for registration, the examinations to be undergone with respect to professional subjects only, and generally the requisites for registration; provided, that the council shall not determine or fix any qualifications or conditions to be complied with as preliminary to or necessary for the matriculation in the study of medicine and for the obtainment of the provincial licenses, these being regulated as heretofore by the provincial authorities;

(d) The establishment and maintenance of a board of examiners for examination and granting of certificates of qualification;

(e) The enactment with the consent and at the instance of the medical councils of the various provinces of Canada, of such provincial legislation as is necessary to supplement the provisions of this Act and to effect the foregoing purposes.

Sec. 6. The council may acquire and hold such real estate and personal property as is necessary or expedient for the purposes of the council or of providing a revenue therefor, and may sell, lease or otherwise dispose thereof; but the annual value of the real estate owned bv the council and held for the purposes of revenue only shall not at any time exceed the sum of twenty-five thousand dollars ($25,000).

Sec. 7. COMPOSITION OF COUNCIL: The council shall be composed of:

(a) Three members who shall be appointed by the governor in council, each of whom shall reside in a different province, but until such time as the provinces of Saskatchewan, Alberta and British Columbia shall have been entitled to university representation, two of the three members so appointed shall be chosen from two of these provinces;

(b) Two members representing each province, who shall be elected under regulations to be made in that behalf by the provincial medical council;

(c) One member from each university or incorporated medical college or school in Canada having an arrangement with a university for the conferring of degrees on its graduates engaged in the active teaching of medicine who shall be elected by the university or by such college or school under such regulations as may govern in that behalf;

(d) Three members who shall be elected by the homeopathic practitioners in Canada, each of whom shall reside in a different province.

(2) No one shall be a member of the council unless he

(a) Resides in the province for which he is an appointed or elected member;

(b) Is a duly registered member of the medical profession according to the laws of the province which he represents;

(c) Is duly registered as a medical practitioner in the register established under the provisions of this Act; but this latter qualification shall not be required of any of the members originally composing the council.

Sec. 8. TERM OF OFFICE; RESIGNATIONS: The term of office for members shall be four years.

(2) Any member may at any time tender his resignation by written notice thereof to the president or to the secretary of the council, and upon acceptance of such resignation by the council, the council shall forthwith give notice in writing thereof, in case of an appointed member, to the secretary of state of Canada, and in case of an elected member, to the secretary of medical council for the province, or to the university, incorporated medical school or college, or if a representative of the homeopathic practitioners resigns, to the remaining homeopathic representatives upon the council.

(3) Any person who is or has been a member may, if properly qualified, be reappointed or reelected; but no person shall at one time serve as a member in more than one capacity.

(4) In the case of members of the council whose term of office is about to expire, successors may be appointed or elected at any time within three months before the expiration of such term; and where any vacancy exists in the membership of the council by reason of any term of office having expired, or otherwise, such vacancy may be filled at any time.

(5) If there has been a failure to elect a member of the council, or to elect a properly qualified member, or to cause the name of the member elected to be certified to the secretary of the council within a reasonable time after such election might have been made, then, after notice from the council, requiring the provincial medical council, or the university, or incorporated medical school or college, or the homeopathic representatives to cause such election to be made and to certify the result thereof to the council within one month from the date of service of such notice, the council may, in case the default continues, itself elect such member.

(6) A member appointed or elected to fill a vacancy caused by death or resignation shall hold office in all respects as the person in whose place he is appointed or elected would have held office, and for the remainder of the term for which that person was appointed or elected.

(7) All members appointed or elected shall continue in office until their successors are appointed or elected, or until the expiration of their term of office if their successors are appointed or elected before the expiration of such term of office.

Sec. 9. OFFICERS OF THE COUNCIL: The council may from time to time

(a) Elect from among its members a president, a vice-president and an executive committee:

(b) Appoint a registrar, who may also, if deemed expedient, act as secretary and treasurer;

(c) Appoint or engage such other officers and employees as the council deems necessary to carry out the objects and provisions of this Act;

(d) Require and take from the registrar, or from any other officer or employees such security for the due performance of his duty as the council deems necessary;

(e) Fix the allowances or remuneration to be paid to the president, vice-president, member, officers and employees of the council.

Sec. 10. MEETINGS: The council shall hold its first meeting at the city of Ottawa, at such time and place as is appointed by the minister of agriculture; and thereafter an annual meeting of the council shall be held at such time and place as is from time to time appointed by the council.

(2) Until otherwise provided by regulation of the council, eleven members of the council shall form a quorum, and all acts of the council shall be decided by a majority of the members present.

Sec. 11. REGULATIONS: The council may make regulations not contrary to law or to the provisions of this Act, for or with reference to all or any of the purposes for which the council is created or established, including, but without limiting, the generality of these powers:

(a) The direction conduct and management of the council, and of its property;

(b) The summoning and holding of the meetings of the council, the times and places where such meetings are to be held and the conduct of business thereat;

(c) The powers and duties of the president and vice-president, and the selection of substitutes for them if unable to act from any cause at any time;

(d) The tenure of office and the powers and duties of the registrar and other officers and employees;

(e) The election and appointment of an executive committee and of other committees for general and special purposes, the definition of their powers and duties, the summoning and holding of their meetings, and the conduct of business by such committees;

(f) Generally, all fees to be required, paid or taken under this Act;

(g) The establishment, maintenance and effective conduct of examinations with respect to professional subjects only, for ascertaining whether candidates possess the qualifications required; the number, times and modes of such examinations; the appointment of examiners; and generally all matters incident to such examinations, or necessary or expedient to effect the objects thereof;

(h) The admission to examination of holders of diplomas obtained outside of Canada from a medical school recognized by the council;

(1) Generally, all matters which it is necessary or expedient to provide for or regulate in pursuance of the purposes of this Act and in furtherance of its general intention.

(2) No regulation made under the authority of this section shall have effect until approved by the governor in council.

Sec. 12. Notwithstanding anything in the last preceding section contained or any power thereby conferred:

(a) No candidate shall be eligible for any examination prescribed by the council unless he is the holder of a provincial license, or unless he represents a certificate from the registrar of his own provincial medical council that he holds a medical degree accepted and approved of by the medical council of said province:

(b) The standard of examination shall not at any time be lower than the highest standard for the like purpose then established for ascertaining the qualification for registration in any province;

(c) The possession of a Canadian university degree alone, or of a certificate of provincial registration founded on such possession, obtained subsequent to the date when the council shall be first duly constituted under this Act, shall not entitle the possessor thereof to be registered under this Act.

Sec. 13. A copy of such regulation certified by the registrar under his hand and the seal of the council may be received in evidence without proof other than the production of a copy purporting to be so certified.

Sec. 14. HOMEOPATHISTS: The council shall make such regulations as shall secure to homeopathic practitioners, and to all applicants for registration who desire to be practitioners of the homeopathic school, rights and privileges in respect of registration by the council not less than those now possessed by them under the laws of any province, and under the regulations of the provincial medical council thereof.

Sec. 15. BOARD OF EXAMINERS: At each annual meeting of the council, the council shall appoint a board of examiners to be known as the Medical Council of Canada Examination Board, whose duty it shall be to hold the examinations prescribed by the council, subject to the provisions hereinbefore contained.

(2) The members of such board of examiners shall be eligible for reappointment.

Sec. 16. EXAMINATIONS: The subjects of examination and the eligibility of candidates shall be decided by the council, and candidates for examination may elect to be examined in the English or French language. A majority of the committee conducting the examination of any candidate shall speak the language in which the candidate elects to be examined;

(2) Examinations may be held only at those centers at which there is a university or college actively engaged in the teaching of medicine or having hospital facilities of not less than one hundred beds.

Sec. 17. REGISTRATION: The council shall cause to be kept by the registrar under the direction of the council, a book or register to be known as the Canadian Medical Register, in which shall be entered, in such manner and with such particulars as the council directs, the names of all persons who have complied with the requirements of this Act and with the regulations made by the council respecting registration under this Act, and who apply to the registrar to have their names so entered.

Sec. 18. Every one who passes the examination prescribed by the council, and otherwise complies with all the conditions and regulations requisite for registration as prescribed by this Act and by the council, shall, upon payment of the fees prescribed in that behalf, be entitled to be registered as a medical practitioner.

(2) Any person who has received a license or certificate of registration in any province previous to the date when the council has been first duly constituted under this Act, and who has been engaged in the active practice of medicine in any one or more provinces of Canada, shall, after ten years from the date of such license or certificate, be entitled to be registered under this Act as a medical practitioner, without examination, upon payment of the fees and upon compliance with the other conditions and regulations for such cases prescribed by the council; provided, that if the medical council of any province is not satisfied with the period of years prescribed by this subsection such medical council may, as a condition to provincial registration, exact an examination in final subjects from practitioners registered under this subsection, and the said examination shall be held according to the provisions of the by-laws or rules of the respective provincial councils.

Sec. 19. CANCELLATIONS: Any entry in the register may be cancelled or corrected upon the ground of fraud, accident or mistake.

Sec. 20. APPEAL: In any case of an application for registration or for correcting or amending any entry upon the register, the applicant, if aggrieved by the decision of the registrar, may appeal to the council, and the council shall hear and determine the matter; but all applications to cancel or strike off entries from the register, made adversely to the person whose registration it is desired to effect, shall be by the registrar referred to the council, and the council shall, after three months' notice served personally or sent by post, prepaid and registered, to the last known address of such persons, hear and determine all such applications.

Sec. 21. CANCELLATION FOR IMPROPER CONDUCT: If it is made to appear to the council that there is reasonable ground to believe that any person registered under this Act has been convicted, either in any part of his Majesty's possessions or elsewhere, of an offense which, if committed in Canada would be an indictable offense under the criminal code, or that he has been guilty of infamous or disgraceful conduct in a professional respect, then, whether such offense has been committed or such conviction has taken place or such infamous or disgraceful conduct has occurred, either before or after the passing of this Act, or either before or after the registration of such person, the council shall, after three months' notice served personally or sent by post, prepaid and registered, to the last known address of such person, hear and consider the matter, and if satisfied that such person has been so convicted or is guilty of such offense or of such infamous or disgraceful conduct, direct the registrar to erase the name of such person from the register; provided, however, that if a person registered under this Act has likewise been registered under the laws of any province, and such provincial registration has been cancelled for any of the causes aforesaid by the authority of the provincial medical council for that province, the council shall then, without further inquiry, direct the registration of such person under this Act to be cancelled.

(2) The name of a person shall not be erased under this section.

(a) Because of his adopting or refraining to adopt the practice of any particular theory of medicine or surgery, or,

(b) Because of his conviction, out of his Majesty's possessions, of a political offense against the laws of any foreign country; or,

(c) Because of his conviction for any offense which, though coming within the provisions of this section is, in the opinion of the council, either from the trivial nature of the offense or from the circumstances in which it was committed, insufficient to disqualify a person from being registered under this Act.

Sec. 22. RIGHT TO BE HEARD: Upon any appeal to the council, or upon any application to erase the name of any person from the register under either of the last two preceding sections, the persons applying, or the person charged shall have the right to appear and be heard, either in person or by counsel.

Sec. 23. COMMISSION OF INQUIRY: Whenever it is made to appear to the governor in council that the council is not complying with any of the provisions of this Act, the governor in council may refer the particulars of the complaint to a commission of inquiry consisting of three members, one of whom shall be appointed by the governor in council, one by the council and the third by the complainant, and such commission shall proceed to inquire in a summary manner and report to the governor in council as to the truth of the matters charged in such particulars of complaint, and in case of such particulars or any of them being found by the commission to have been established the commission shall recommend the remedies, if any, which are in its opinion necessary.

(2) The governor in council may require the council to adopt the remedies so recommended within such time as the governor in council, having regard to the report of the commission, thinks fit, and in default of the council complying with any such requirement, the governor in council may amend the regulations of the council, or make such provision or order as may seem necessary to give effect to the recommendation of the commission.

(3) The commission shall have power to administer oaths, enforce the attendance of witnesses and the production of books and papers, and shall have such other necessary powers for the purpose of any inquiry as are conferred upon it by the governor in council.

Sec. 24. AMENDMENTS: No amendment to this Act may be proposed on behalf of the council unless previously accepted by the provincial medical councils.

Sec. 25. This Act shall not come into force until the legislatures of all the provinces have enacted legislation accepting its provisions; provided, however, that the medical board of any province may at any time order the withdrawal of the representation of the said province upon the council by a resolution passed at a general or special meeting of the said board called for the purpose and carried by the votes of two thirds of the members present at the said meeting, and notice of which resolution has been inserted for three months previously in The Canada Gazette; and in case of such resolution being passed, provisions of this Act shall immediately cease to apply to the said province and no more persons shall be given the right to practice medicine within the jurisdiction of the said legislature by reason of their qualification or registration under this Act.

Sec. 55. PROTECTION OF COUNCIL AND EXECUTIVE COMMITTEE: No action shall be brought against the Council or the committee for anything done bona fide under this Act, notwithstanding any want of form in the proceedings.

Sec. 56. APPEAL: The complaint, or any person whose registration has been suspended, or whose name has been ordered to be erased from the register, may appeal from the decision of the Council to any Judge of the Supreme Court at any time within three months from the date of such decision; and the Judge may, upon the hearing of the appeal, reverse, alter, amend, order further inquiries by the Committee or Council into the facts of the case, or make such other order, either as to costs or otherwise in the premises, as to the Judge may seem right. An appeal shall lie from the decision of the Judge of the Court of Appeal within three months thereafter, and the Court of Appeal shall have all the powers which may by this Act be exercised either by the executive committee or Council or the Judge appealed from.

Sec. 57. NOTICE OF APPEAL: The appeal may be by notice served upon the registrar, and shall be founded upon a copy of the proceedings before the committee, the evidence taken, the committee's report, the order of the Council in the matter, the reasons therefor, certified by the registrar; and the registrar shall, upon the request of any person desiring to appeal, furnish to him a certified copy of all proceedings, reports, orders, reasons, opinions, and papers upon which the committee or Council has acted in making the order complained of: Provided that where the evidence on the inquiry was taken by a stenographer the registrar shall not be compelled to furnish the same, but the person desiring to appeal shall obtain the same from the stenographer.

Sec. 58. APPEAL TO BE HEARD ON MERITS: No appeal herein, of which notice within the time-limit aforesaid has been given, shall be defeated upon any ground whatsoever, but shall be heard and determined by the Judge or the Court of Appeal, as the case may be, upon the merits.

Sec. 59. BURDEN OF PROOF: In any trial under this Act the burden of proof as to registration shall be upon the person charged.

Sec. 60. PROOF OF REGISTRATION: In all cases where proof of registration under this Act is required to be made, the production of a certificate that the person or persons therein named is or are duly registered, certified under the hand of the registrar of the Council and the seal of the College, shall be sufficient evidence of such registration in lieu of production of the original register; and any such certificate purporting to be signed by any person in the capacity of registrar of the Council under this Act shall be prima facie evidence that such person is the registrar, without any proof of his signature or of his being in fact the registrar.

Sec. 61. PRINTED REGISTER: The registrar shall from time to time, under the direction of the Council, cause to be printed and published a correct register in the form in the First Schedule, or to the like effect, of the names of all persons appearing on the register, as existing on the day of publication, in alphabetical order according to their surnames, with their respective residences, and showing the medical titles, diplomas, and qualifications conferred by any college or body, and the dates thereof.

Sec. 62. COPY OF PRINTED REGISTER AS EVIDENCE: A copy of such register for the time being purporting to be so printed and published as aforesaid shall be prima facie evidence in all Courts, and before all Justices and others, that the persons therein specified are registered according to the provisions of this Act.

Sec. 63. CERTIFICATE OF REGISTRATION: In the case of any person whose name does not appear in such copy, a certified copy, under the hand of the registrar of the Council and the seal of the said College, of the entry of the name of such person on the register shall be evidence that such person is registered under the provisions of this Act.

Sec. 64. ABSENCE OF NAME FROM PRINTED COPY OF REGISTER PRIMA FACIE EVIDENCE OF NON-REGISTRATION: Except as in the last preceding section mentioned, the absence of the name of any person from such copy shall be prima facie evidence that the person is not registered according to the provisions of this Act.

Sec. 65. ACTION FOR FEES FOR PROFESSIONAL SERVICES: Every person registered under the provisions of this Act shall be entitled, according to his qualifications to practice medicine, surgery, or midwifery, or any of them, as the case may be, in this Province, and to demand and recover in any Court of law, with full costs of suit, reasonable charges for professional aid, advice, and visits, and the cost of any medicine or other medical appliances rendered or supplied by him to his patients.

Sec. 66. EFFECT OF NEGLECT TO REGISTER: Any person entitled to be registered under this Act, but who neglects or omits to be so registered, shall not be entitled to any of the rights or privileges conferred by registration under the provisions of this Act so long as such neglect or omission continues; and he shall be liable to all the penalties imposed by this Act, or by any other Act in force against such unqualified or unregistered practitioners.

Sec. 67. PRACTICE BY UNREGISTERED PERSONS FORBIDDEN: It shall not be lawful for any person not registered to practice medicine, surgery, or midwifery for hire, gain, or hope of reward, whether promised, received, or accepted, either directly or indirectly.

Sec. 68. "PRACTICE MEDICINE," INTERPRETATION: Any person shall be held to practice medicine within the meaning of this Act who:

(a) By advertisement, sign, or statement of any kind, alleges ability or willingness to diagnose or treat any human diseases, ills, deformities, defects, or injuries:

(b) Advertise or claim ability or willingness to prescribe or administer, or who prescribes or administers, any drug, medicine, treatment, or performs any operation, manipulation, or applies any apparatus or appliance for the cure or treatment of any human disease, defect, deformity, or injury:

(c) Acts as the agent, assistant or associate of any person, firm, or corporation in the practice of medicine as hereinbefore set out:

Provided that this section shall not apply to the practice of dentistry or pharmacy, or to the usual business of opticians, or to vendors of dental or surgical instruments, apparatus, and appliances, or to the ordinary calling of nursing, or to the ordinary business of chiropodist, or bath attendant, or to the proprietor of a bath.

Sec. 69. MEDICAL AID, NOT FOR GAIN, MAY BE GIVEN: Nothing in this Act shall prevent private persons from giving necessary medical or surgical aid in times of urgent need.

Sec. 70. UNREGISTERED PERSONS CANNOT RECOVER FEES: No person shall be entitled to recover any charge in any Court of law for any medical or surgical advice, or for attendance, or for the performance of any operation, or for any medicine that he may have prescribed or supplied, unless at the time he rendered such services or supplied such medicine or materials he was registered under this Act; but this section shall not extend to the sale of any drug or medicine by any duly licensed chemist or druggist.

Sec. 71. PRACTITIONERS NOT TO USE TRADE OR CORPORATION NAMES: No member of the College shall, in the practice of medicine, surgery, or midwifery, use any trade-name or designation, or corporate name, or any distinguishing name for any premises in which he carries on the practice of his profession, but every such member shall, for all purposes in connection with his profession, use his own proper name: Provided that the Lieutenant-Governor in Council may at any time allow a private hospital or sanitarium to be conducted under such name or style as he may consider proper; and that this section shall not apply to hospitals or sanitariums supported in whole or in part by the Province, or by municipalities, or by charitable associations.

Sec. 72. ONLY LICENTIATES TO BE APPOINTED TO CERTAIN OFFICES: No person shall be appointed as a medical officer, physician, or surgeon in any branch of the public service of the province, or as house surgeon or house physician in any hospital or other charitable institution, unless he is registered under the provisions of this Act, or holds an interim certificate of qualification, which certificate shall be granted by the executive committee of the College, if requested by the Lieutenant-Governor in Council, in respect of a medical appointment to the Provincial Public Service, or by the governing body of the hospital or other charitable institution, and shall hold good until the next regular examination of the said College, and shall carry with it all the rights and privileges of a registration under the provisions of this Act for the time covered by the certificate.

Sec. 73. MEDICAL CERTIFICATES BY UNREGISTERED PERSONS INVALID: No medical certificate required by any Act from any physician or surgeon or medical practitioner shall be valid unless the person signing the same is registered under this Act.

Sec. 74. "LEGALLY QUALIFIED MEDICAL PRACTITIONER," INTERPRETATION: The expression "legally qualified medical practitioner," or the expression "duly qualified medical practitioner," or any other words or expression importing legal recognition of any person as a medical practitioner or member of the medical profession, when used in any Act or law, shall in so far as such Act or law applies to this Province, be construed to mean a person registered under this Act.

Sec. 75. EXEMPTION FROM JURY SERVICE: Every person who is registered under the provisions of this Act shall be exempt, if he so desires, from serving on all juries and inquests whatsoever.

Sec. 76. LIMITATION OF ACTIONS FOR NEGLIGENCE OR MALPRACTICE: No duly registered member of the College shall be liable in any action for negligence or malpractice by reason of professional services requested or rendered, unless the action be commenced within one year from the date when, in the matter complained of, the professional services terminated, but the provisions of this section shall not apply to complaints preferred under Section 47, and any inquiry under that section may be had within two years from the date when, in the matter complained of, the professional services are terminated.

Sec. 77. PENALTY FOR FRAUDULENTLY PROCURING REGISTRATION: If any person wilfully procures or attempts to procure, himself to be registered under this Act by making any false or fraudulent representation or declaration, either verbally or in writing, he shall, on summary conviction, incur a penalty not exceeding one hundred dollars ($100); and every person knowingly aiding or assisting him therein shall, on summary conviction thereof, incur a penalty of not less than twenty nor more than fifty dollars.

Sec. 78. PENALTY FOR PRACTICING WITHOUT REGISTRATION: If any person, not registered pursuant to this Act, for hire, gain, or hope of reward, whether promised, received, or accepted, either directly or indirectly, practices or professes to practice medicine, surgery, or midwifery, he shall, upon summary conviction, forfeit and pay for the first offense a penalty not exceeding one hundred dollars ($100), for the second offense a penalty not exceeding two hundred and fifty dollars ($250), and for a third or any subsequent offense be liable to imprisonment in the common gaol for a period not exceeding three months, without the option of a fine.

Sec. 79. PENALTY FOR PRACTICING WITH UNREGISTERED PERSON: In case a member of the College practices medicine in partnership with, or under a contract with, or as a business associate of, any person not a member of the College, or does any act to enable any such person to practice medicine, surgery, or midwifery, both parties to such partnership, contract, or arrangement, shall be liable, on summary conviction, to a penalty not exceeding one hundred dollars ($100) and not less than twenty-five dollars ($25), and any member of the College convicted under this section shall have his name erased from the register by the Council.

Sec. 80. PENALTY FOR FALSELY PRETENDING TO BE A PHYSICIAN: Any person who wilfully or falsely pretends to be a physician, doctor of medicine, surgeon, or general practitioner, or assumes any title, addition, or description other than he actually possesses and is legally entitled to, or who commits any breach of sections 67 or 71, shall be liable, on summary conviction, to a penalty not exceeding fifty dollars ($50) nor less than ten dollars ($10), and to be removed from the register by the Council.

Sec. 81. PENALTY FOR WRONGFULLY USING NAME IMPLYING REGISTRATION: Any person not registered, pursuant to this Act, who takes or uses any name, title, addition, or description implying or calculated to lead people to infer that he is registered under this Act, or that he is recognized by law as a physician, surgeon, accoucheur, or a licentiate in medicine, surgery, or midwifery, shall be liable, on a summary conviction, to pay a penalty not exceeding one hundred dollars ($100) nor less than twenty-five dollars ($25).

Sec. 82. APPLICATION OF PENALTIES: All penalties recoverable under this Act shall be paid to the convicting Justice, and by him paid to the registrar of the Council, and shall form part of the funds thereof.

Sec. 83. PROSECUTOR: Any person may be prosecutor or complainant under this Act, and the Council may allot such portion of the penalties recovered as may be expedient towards the payment of the costs of the prosecution.

Sec. 84. STAYING PROCEEDINGS: The Council, by an order signed by the president, having the seal of the College appended thereto, may stay proceedings in any prosecution under this Act where it is deemed expedient.

Sec. 85. FUNDS: All moneys forming part of the Council funds shall be paid to the treasurer and may be applied to carry this Act into execution.

. . . .

Any notice, if served by post, shall be deemed to have been served at the time when the letter containing the notice would be delivered in the ordinary course of the post; and in proving such service it shall be sufficient to prove that the letter containing the notice was properly addressed and put in the postoffice.

The member so claiming shall prove to the satisfaction of the registrar that he has not practiced his profession in the Province of Manitoba during the year or years for which such fee has been imposed, and shall, if the registrar require it, make a statutory declaration to that effect and furnish such other evidence as the registrar may require. The decision of the registrar upon such application as to the liability of the applicant for the fee in question shall be final and conclusive, subject to appeal to the next meeting of council. (5) The council of the college may, however, by by-law passed at any meeting of the said council, waive the payment of the annual fees by any member or anyone qualified to be a member and the penalties for non-payment thereof and may declare the said person or persons on whose behalf the said fees and penalties have been waived to be a member or members of a college in good standing and to be entitled to all the rights and privileges thereof, including the right to vote at elections of the council of the college or at any other time or times at which the members may vote. The council shall have power to make any by-law passed under this subsection retroactive in its operation.

R.S.M. c. 111, s. 36.

Sec. 39. REFUSAL OF REGISTRATION: If the registrar be dissatisfied with the evidence adduced by the person claiming to be registered, he shall have the power, subject to an appeal to the council, of refusing the said registration until the person claiming to be registered has furnished proper evidence, duly attested by oath or affirmation before the judge of any County Court. R.S.M. c. 111, s. 37.

Sec. 40. FALSIFYING REGISTER: If the registrar make or cause to be made any wilful falsification in any matter relating to the register, he shall incur a penalty of fifty dollars ($50) and shall be disqualified from again holding that position. R.S.M. c. 111, s. 38.

Sec. 41. ERASURE OF NAMES: Any entry in the register proved to the satisfaction of the council to have been fraudulently or incorrectly made may be erased from the register by an order in writing of the council. R.S.M. c. 111, s. 39.

Sec. 42. ERASURE ON ACCOUNT OF FRAUDULENT REPRESENTATION: If any person procure, or cause to be procured, his registration, by means of any false or fraudulent representations or declaration, either verbally or in writing, it shall be lawful for the registrar, upon the receipt of sufficient evidence of the falsity or fraudulent character of said representations or declaration, to represent the matter to the council, and, upon the written order of the president, attested by the seal of the college, to erase the name of such person from the register, and to make known the fact and cause of such erasure by notice to be published in The Manitoba Gazette; and after such notice has appeared, the person whose name has been so erased shall cease to be a member of the college, and shall cease to enjoy any of the privileges enjoyed or conferred by registration under this Act at any further time without express sanction of the council. R.S.M. c. 111, s. 40.

Sec. 43. FORFEITURE BY CRIME OR MISCONDUCT: Any registered medical practitioner who, either before or after the passing of this Act and either before or after he is so registered, has been convicted in any court or by any judge, magistrate, justice or justices of the peace, of any felony or misdemeanor or of any offense or breach against, under or of any statute of the Province of Manitoba, shall thereby forfeit the right to registration, and by direction of the council his name shall be erased from the register; or in case a person known to have been convicted of a felony or misdemeanor present himself for registration, the registrar shall have power to refuse such registration; and if any person registered after due inquiry by the council, be adjudged to have been guilty of infamous or unprofessional conduct in any respect or of professional incompetence, negligence or misconduct so gross as to disqualify such person, in the opinion of the council, from practicing medicine, surgery or midwifery, the council may, if they see fit, direct the registrar to erase the name of such person from the register. R.S.M. c. 111, s. 41.

Sec. 44. ERASURE OF NAMES FROM REGISTER AND ENQUIRY: The council may, and upon the application of any three registered medical practitioners shall, cause enquiry to be made into the case of a person alleged to be liable to have his name erased under the last preceding section, and on evidence satisfactory to the council of such conviction or of such infamous or unprofessional conduct or of such gross professional incompentence, negligence or misconduct, shall cause the name of such person to be erased from the register:

RE-ENTRY OF ERASED NAME BY ORDER OF COUNCIL: If the council think fit in any case, they may direct the registrar to restore to the register any name or entry erased therefrom, either without fee or on payment of such fee, not exceeding the registration fee, as the council may from time to time fix, and the registrar shall restore the same accordingly. R.S.M. c. 111, s. 45.

In any case in which the council or executive committee after inquiry adjudges any person to be guilty of infamous or unprofessional conduct in any respect or of professional incompetence, negligence or misconduct so gross as to disqualify such person in the opinion of the council from practicing medicine, surgery or midwifery, it may direct the costs to the college of and incidental to the inquiry be paid by such persons, and such costs shall be a debt deemed to be due by such person to the college and shall be recoverable with costs of suit in the name of the college in any court of competent jurisdiction; and, in any case where the council or the executive committee after such inquiry directs the erasure from the register of the name of any person, such costs directed to be paid by such persons shall be paid before the name of such person shall be restored to the register.

NOVA SCOTIA MEDICAL ACT

Revised Statutes of Nova Scotia, 1923, Chapter 113, as amended 1927.

Section 1. TITLE: This chapter may be cited as "The Medical Act."

Sec. 2. DEFINITIONS: In this chapter, unless the context otherwise requires:

(a) The expression "board" means the Provincial Medical Board.

(b) The expression "society" means the Medical Society of Nova Scotia.

(c) The expression "registrar" means the registrar of the Provincial Medical Board.

(d) The expression "medicine" includes surgery and midwifery.

(e) The expression "qualified medical practitioner" or any words importing a person recognized by law as a medical practitioner or member of the medical profession, means a person registered under this chapter.

Sec. 3. CONSTITUTION OF BOARD; CORPORATE POWERS: The board shall consist of fifteen medical practitioners of not less than seven years' standing, nine to be appointed by the governor-in-council and six to be elected by the society. Five members of the board shall constitute a quorum. (As amended by chapter 29, Acts of 1918.)

Sec. 4. BOARD A BODY CORPORATE: The board shall be a body corporate, and shall have power to hold and enjoy real and personal property, and may sell, mortgage, lease or otherwise dispose of any such property for the furtherance of the objects of the board under this chapter.

Sec. 5. VACANCIES: (1) Every vacancy in the board, whether caused by death, resignation, removal from office, expiration of term of office, or otherwise, shall be filled with as little delay as possible by the authority which appointed or elected the person causing such vacancy; so that as far as practicable the board shall always consist of fifteen members, nine appointed by the governor-in-council and six elected by the society. (As amended by chapter 29, Acts of 1918.)

(2) In case of the dissolution of the society, or its neglect or refusal to fill a vacancy within one year after such vacancy occurs, the remaining members of the board shall appoint a properly qualified person to fill such vacancy.

Sec. 6. Immediately on the occurrence of a vacancy, the board shall communicate the fact to the governor-in-council, or to the society, according as such vacancy is to be filled.

Sec.7. TERM OF OFFICE: (1) The members of the board appointed by or on behalf of the governor-in-council shall hold office for three years, and be eligible for reappointment. (As amended 1928.)

(2) The members of the board elected by the society shall hold office for three years from the date of election; provided, however, that any member of the board elected to fill a vacancy caused by death, resignation or removal from office shall hold office for the balance only of the term for which the person so dying, resigning or removed from office was originally elected.

(3) The governor-in-council may remove any member of the board upon due cause shown.

Sec. 8. SECRETARY: The board shall from time to time appoint a qualified medical practitioner, resident at Halifax, to act as its secretary. He shall attend the meetings of the board, and keep a record of the proceedings of the same in a book or books to be by the board provided for that purpose.

Sec. 9. FURTHER DUTIES OF SECRETARY: The secretary shall also be the registrar of the board and he shall act as treasurer of the board, unless the board appoints another person to that office. He shall be paid out of the moneys to be received, as in this chapter provided, such salary as the board, with the approval of the governor-in-council determines.

Sec. 10. MEETINGS: (1) The board shall hold an annual meeting in the city of Halifax, at which it shall appoint examiners, fix the times and places of examination, and the remuneration, if any, to be paid to such examiners, and transact all other necessary business.

(2) The board shall also hold such other meetings as are necessary, at which meetings they shall have the powers and duties conferred on the board at the annual meetings.

(3) Any meeting of the board may be adjourned from time to time to any future date.

(4) The president shall preside at all meetings of the board, and in his absence some other member, to be chosen from among the members present, shall act as president. The president or acting president shall have a casting vote only.

(5) Notice of any annual or other meeting of the board shall be mailed to the members of the board at least three clear days before the date fixed for such meeting.

(6) The board may from time to time make regulations respecting the holding of the annual meeting and the other meetings of the board, and with respect to the business to be transacted thereat, and may from time to time alter, amend or repeal any such regulation or regulations, but no such regulation shall be made, altered, amended or repealed at any meeting unless notice of the proposed regulation or of the proposed alteration, amendment or repeal, as the case may be, is given to each member of the board in the notice for such meeting.

Sec. 11. NOTICE OF MEETING: In the absence of any general regulation, the president or any five members of the board may direct the secretary to summon the board to meet at such time and place in the city of Halifax as to him or them seems fit, and the secretary, on receiving the direction of the president or such five members, shall summon the members of the board to meet at such time and place by notice mailed not less than three clear days previously to the date fixed for such meeting.

Sec. 12. POWERS OF THE BOARD: The board shall have power and it shall be its duty to—

(a) Elect such officers as are necessary for the carrying out of the provisions of this chapter.

(f) Cause every medical practitioner in the province to enter in a register of the board to be kept by the registrar, and to be called the Medical Register, his name, age, place of residence, the date of his license, diploma or certificate or qualification, and the institution or authority conferring the same.

(g) Cause every person engaged in the study of medicine for the purpose of qualifying himself to practice, to enter in a register of the board to be kept by the registrar, and to be called the Medical Student's Register, his name, age, place of res'dence, date and particulars of his preliminary examination, and place and date of his commencement of the study of medicine.

(i) Make regulations and by-laws concerning the registers to be kept under this chapter.

(j) Make such regulations and by-laws for bringing this chapter into effect as to the board seems proper and necessary, which regulations and by-laws may be disallowed by the governor-in-council.

Sec. 13. DISPOSITION OF FUNDS: All moneys forming part of the funds of the board shall be paid to the treasurer, and shall be applied in carrying out the provisions of this chapter.

Sec. 14. ACCOUNTS PUBLISHED ANNUALLY: The books and accounts of the board shall at all times be open to the examination of such persons as the governor-in-council appoints to inspect the same, and of all members of the board; and the accounts shall be annually published or laid before the provincial secretary.

Sec. 15. The registrar shall keep his registers in accordance with the provisions of this chapter and the regulation and by-laws of the board.

Sec. 16. QUALIFICATIONS OF MEDICAL STUDENTS: No person shall begin or enter upon the study of medicine for the purpose of qualifying himself to practice medicine in this Province, unless he first produces to the registrar a certificate from the examiners appointed by the board showing that he has passed the preliminary examination in the subjects prescribed by the rules and regulations of the board, or evidence of having passed such equivalent examination as is acceptable to the board, and causes his name to be forthwith entered in the medical students' register as hereinbefore provided for, and for such registration has paid such fee as the board by its rules and regulations appoints; Provided that in any case in which such registration has not been effected before the commencement of medical studies, for reasons which appear to the board to be sufficient, such registration may be effected under such conditions consistent with the general tenor of this section as the board may determine.

Sec. 17. EXAMINATIONS: No candidate shall be admitted to the preliminary examination unless at least fourteen days previous to such examination he has given notice to the registrar of the board of his intention to present himself for such examination, and unless he has produced to the registrar satisfactory evidence that he has completed his sixteenth year and has paid the fee appointed by the board by its rules and regulations.

Sec. 18. EXAMINERS: (1) There shall be two professional examiners in each of the subjects in respect to which a professional examination is required.

(2) No more than one member of the teaching faculty of any medical school or college shall be appointed as examiner in any one subject.

Sec. 19. QUALIFICATIONS TO PRACTICE: (1) Subject to the exceptions made in this chapter every person shall be entitled to have his name entered on the medical register who produces evidence satisfactory to the board.

(b) That after matriculation into a school of medicine recognized by the board, he has followed medical studies during a period of not less than five academic years. (As amended, 1923.)

(c) That during such five years he has attended a university or incorporated school of medicine in good standing, a graded collegiate course of five sessions of not less than eight months each, such course (subject to clauses (e) (f) (g) and (h) of this subsection) to include satisfactory and sufficient lectures and instruction in chemistry, physics, biology, anatomy, practical anatomy, histology, embryology, physiology, biochemistry, pharmacy, pharmacology, bacteriology, pathology (including post mortem examinations), medical jurisprudence, hygiene, therapeutics, paediatrics, medicine, clinical medicine, surgery, clinical surgery, obstetrics (including gynaecology), and practical obstetrics, and that he has attended for a period of not less than eighteen months upon the general practice of a hospital containing not less than one hundred beds under the charge of not less than four recognized medical practitioners, of whom one at least must be a surgeon, or attended for not less than twelve months on such hospital practice and attended for six months additional on the practice of a recognized dispensary, or of the out-patient deparment of a general hospital;

(d) That he is not less than twenty-one years of age, and that he has paid to the registrar of the board such fee as the board by its rules and regulations appoints and, subject to the provisions of clauses (e), (f), (g) and (h) of this sub-section, has satisfactorily passed an examination in the various branches hereinbefore specified, before the professional examiners appointed under the provisions of this Chapter, and has received from the board its certificate of qualification;

(e) Should any applicant for the examination referred to in clause (d) of this sub-section produce satisfactory evidence showing that as a student in arts or science in any university or college recognized by the board, he has taken a satisfactory course or courses in physics, chemistry and/or biology, previous to his registration as a medical student, such course or courses shall be accepted by the board as sufficient and shall exempt such student from further instruction in such subject or subjects, and a certificate of having passed as such student in arts or science, previous to his registration, or as a medical student subsequent to such registration, an examination in such subject or subjects equivalent to those required by the board shall be accepted as exempting him from further examination in such subject or subjects.

(f) Should any applicant for the examination referred to in clause (d) of this sub-section produce satisfactory evidence showing that, after completion of four years of medical study at a medical school recognized by the board, he has been engaged for not less than twelve months in clinical service as a regularly appointed resident intern at a teaching hospital recognized by the board, such clinical service may be accepted as the equivalent of one session at a medical school;

(g) Should any candidate when applying for examination intimate his intention to practice homeopathy or osteopathy or other system different from that taught in the so-called "regular schools of medicine," such candidate shall be required to pass an examination in such subjects as may from time to time be determined by the board. Such examination so far as the same relates to the subject matter included in such other system shall be conducted by examiners specially appointed by the board and chosen from exponents of the system in respect of which such candidate is to be examined, and shall be under such conditions as may be determined by the board;

(h) Until the board shall otherwise decide and shall give due notice of such decision in the annual announcement, any person, who produces to the registrar satisfactory certificates from a medical college or university, recognized by the board, of having passed in the subjects of the first professional and second professional examinations, as specified in the board's Annual Announcement, shall be exempt from further examination in such subjects, and shall be required to pass only in the subjects of the third professional examination.

(2) The foregoing curriculum and regulations shall be compulsory only in case of persons who began the study of medicine subsequent to July 1, 1899, and the board shall have power, subject to the approval of the governor-in-council, to make from time to time such alterations in the same as are required.

Sec. 20. REGISTRATION WITHOUT FEE: Notwithstanding anything contained in the next preceding section, any person in actual practice and duly registered under the provisions of chapter 56 of the revised statutes, third series, shall be entitled to be registered under this chapter without payment of any fee.

(Section 21 and 22 repealed, Statutes of Nova Scotia, 1924, Chapter 1, Section 5.)

Sec. 23. RECIPROCITY: (1) The board shall admit to registration, on payment of the registration fee, any person desirous of practicing in Nova Scotia who is duly registered by the General Medical Council of Great Britain.

(2) When and as soon as it appears that there has been established in any other province of Canada, or in the Northwest Territories of Canada, an examining board similar to that constituted by this chapter or an institution duly recognized by the legislature of any such province or of the said Northwest Territories, as the sole examining body therein for the purpose of granting certificates of qualification for the practice of medicine, and whereof the curriculum is equivalent to that established by this chapter, the holder of a certificate of qualification from any such examining body or institution shall on due proof and on payment of the registration fee be entitled to registration by the board, if the same privilege is accorded by such examining board or institution to those holding certificates of qualification from the board. (As amended by Acts of 1903, chapter 52, section 2.)

(3) Whenever there is established under the Act of the Parliament of Canada known as "The Canada Medical Act, 1902," or any Act in amendment thereof, a register for Canada for medical practitioners under the control of a medical council appointed or elected pursuant to the provisions of the aforesaid Act or Acts, then notwithstanding anything contained in this chapter any person duly registered in the said medical register of Canada as a medical and surgical practitioner shall be deemed to be qualified and entitled to be registered in the medical register of the board as a duly qualified medical and surgical practitioner and shall be so registered on the production of a certificate under the hand of the registrar of the said Medical Council of Canada certifying that such person is duly registered in the said medical register for Canada, and on satisfactory proof of the identity of such person and on payment of such fee as may be prescribed by the board, such fee not to exceed the fee ordinarily payable in cases of registration under the other provisions of this chapter

Sec. 24. REGISTRATION: (1) Subject to subsection (2) hereof, no person shall practice medicine or surgery in Nova Scotia unless his name is registered in the medical register.

(2) Any medical practitioner resident in and duly registered in the Province of New Brunswick, whose practice is normally near the boundary line of this province, may attend upon any patient resident in Nova Scotia in the vicinity of the boundary line; and provided that such medical practitioner resident in New Brunswick as aforesaid does not open within this province an office or place of business wherein to meet patients or to receive calls; nor shall any consultant who may be called from any province or state be excluded from consulting with a medical practitioner duly registered in this province.

(3) Any person shall be held to practice medicine within the meaning of this section who shall—

(a) By advertisement, sign or statement of any kind, allege ability or willingness to diagnose or treat any human disease, defect, deformity or injury;

(b) Advertise or claim ability or willingness to prescribe or administer, or who shall prescribe or administer any drug, medicine, treatment, or perform any operation, manipulation, or apply any apparatus or appliance for the cure or treatment of any human disease, defect, deformity or injury;

(c) Act as the agent, assistant or associate of any person, firm or corporation in the practice of medicine as hereinbefore set out;

Provided always that this section shall not apply to the practice of dentistry, or pharmacy, or to the usual business of optometry, or to vendors of dental or surgical instruments, apparatus and appliances, or to the ordinary calling of nursing.

Provided also that this section shall not interfere with any advertising or selling of patent medicine.

Provided further that nothing in this section shall be construed to prohibit the practice of the religious tenets or general belief of any church. (As amended by chapter 29, Acts of 1921.)

(4) OSTEOPATHS: Notwithstanding anything contained in this Chapter, any osteopath who has practiced his profession in this Province continuously for five years before the passing of this Chapter, shall be registered without an examination. (As enacted by chapter 29, Acts of 1921.)

Sec. 25. APPOINTMENTS: No person shall be appointed as medical officer, physician or surgeon in any branch of the public service of this province, or in any hospital or other charitable institution, unless he is registered under the provisions of this chapter; provided, that this section shall not apply to the appointment of house surgeons in the Victoria General Hospital (Halifax). (As amended by Acts of 1907, chapter 31.)

Sec. 26, (1) VALID CERTIFICATES: No certificate required by any statute now in force or hereafter to be passed from any physician, surgeon or medical practitioner, shall be valid unless the person granting or signing the same is registered under this chapter.

(2) No person shall be entitled to recover in any court of law any charge for medical or surgical advice or attendance, or for the performance of any operation, or for medicines or medical or surgical appliances which he has supplied or furnished, unless he proves on trial that he is registered under this chapter; provided, that nothing in this section shall apply to the sale of qualified druggists or chemists of articles properly belonging to their business. (Acts of 1903, chapter 63, section 1.)

Sec. 27. NO SCHOOLS BARRED: No person otherwise duly qualified under this chapter shall be refused registration on account of his adopting or refusing to adopt the practice of any particular theory of medicine. In case of such refusal by the board, the person aggrieved shall have the right to appeal to the governor-in-council, who on due cause shown may issue an order to the board to register the name of such person.

Sec. 28. (1) ADDITIONAL QUALIFICATIONS REGISTERED: Every person registered under this chapter who has obtained any degree or qualification other than that in respect to which he has been registered, may have such other degree or qualification inserted in the register in substitution for or in addition to the qualification previously registered, on the payment of such fee as the board appoints.

(2) No qualification shall be entered on the register, either on the first registration or by way of addition to the registered name, unless the board is satisfied by sufficient evidence that the person claiming to have such qualifications entered is entitled thereto; and any entry which is proved to the satisfaction of the board to have been fraudulently or incorrectly made shall by direction of the board be erased from the register.

Sec. 29. INFAMOUS CONDUCT: (1) Any medical practitioner who has been sentenced to imprisonment in a penitentiary, or who after due inquiry has been adjudged by the board to have been guilty of infamous conduct in any professional respect, shall thereby forfeit his right to registration, and if registered his name shall, by direction of the board, be erased from the register.

(2) Any medical practitioner, who, after due inquiry has been adjudged by the board to have been guilty of unbecoming or improper conduct, but whose offense may not, in the opinion of the board, warrant the erasure of his name from the register, may be suspended from the privileges of a registered practitioner for such time as the board may determine, and during such period of suspension such person so suspended shall not practice medicine or surgery within the Province. (As enacted by chapter 29, Acts of 1921.)

Sec. 30. COLLECTIONS: Every person registered under the provisions of this chapter shall be entitled, according to his qualification or qualifications, to practice medicine, surgery, or midwifery, or any of them, as the case may be, and to demand and recover in any court of justice reasonable charges for professional aid, advice and attendance, and the cost of any medicines or medical or surgical appliances furnished by him to his patients.

Sec. 31. NEGLECT OF REGISTRATION: Any person who neglects or omits to be registered under this chapter shall not be entitled to any of the rights or privileges conferred by the provisions of this chapter.

Sec. 32. (1) ERASED REGISTRATION; APPEAL: Any person who has been registered under the provisions of this chapter and whose name has been heretofore or is hereafter erased from the registry by order of the board shall, at any time within three months after the passing of this Act, if such erasure has been made before the passing thereof, or within three months after the date of such erasure, if made after the passing of this Act, have the right to appeal from the order directing such erasure to a judge of the Supreme Court, who shall hear and determine such appeal in a summary manner and may confirm, reverse or modify the decision of the board, or may make an order directing the board to register the name of such person, and on the making of such order the name of such person shall be deemed to be registered.

(2) Any of the parties to the appeal may call witnesses and adduce evidence whether such witnesses were called or evidence adduced at the hearing before the board or not, either as to the credibility of any witness or as to any fact material to the inquiry.

(3) This section shall not apply to a case in which a medical practitioner has been, after due inquiry, adjudged by the board guilty of infamous conduct in any professional respect. (Acts of 1908, chapter 52, section 4.)

Sec. 33. (1) ANNUAL PUBLICATION OF REGISTER: The registrar shall before the first day of August in every year cause to be published in the Royal Gazette of this province, and in such other manner as the board appoints, a correct list in alphabetical order, according to the surnames, with the respective residences (in form set forth in the schedule to this chapter or to the like effect) and medical titles, diplomas and qualifications, with the dates thereof, of all persons appearing on the medical register on the thirtieth day of June in such year.

(2) Any list purporting to be so printed and published as aforesaid, shall from the said first day of August until the same date in the next following year be prima facie evidence in all courts of justice that the persons herein

specified are registered according to the provisions of this chapter; and the absence of the name of any person from such list shall, during the same period be prima facie evidence that such person is not registered according to the provisions of this chapter; provided, that in the case of any person whose name does not appear in such list a certified copy under the hand of the registrar of the entry of the name of such person on the register shall be evidence that such person is registered under the provisions of this chapter.

Sec. 34. FALSE REPRESENTATION; PENALTIES: Every person who wilfully procures or attempts to procure himself to be registered under this chapter or any amendment thereto by making or producing any false or fraudulent representation, statement or declaration, either verbally or in writing, and every person who knowingly aids or assists therein, shall be liable to a penalty of not less than $100.00.

Sec. 35. FALSIFYING REGISTER: If the registrar makes or causes to be made any wilful falsification in any matter relating to the registers mentioned in this chapter or either of them, he shall for every such offense be liable to a penalty of not less than $100.

Sec. 36. FRAUDULENT REPRESENTATION: (1) If any person not registered under the provisions of this chapter practices, or in any manner or by any means whatsoever, professes to practice medicine, surgery or midwifery, or advertises in any manner or by any means whatsoever to give advice in medicine, surgery or midwifery, he shall be liable to a penalty not exceeding $20 for each day that he so practices, professes to practice or advertises. (As amended by Acts of 1906, chapter 21, section 1.)

(2) If any person wilfully pretends to be a physician, doctor of medicine, surgeon or general practitioner, or assumes any title, addition or description other than he actually possesses and is legally entitled to, he shall for each such offense be liable to a penalty not exceeding $100.

Sec. 37. FRAUDULENT USE OF TITLES: Every person not registered under the provisions of this chapter who takes or uses any name, title, addition or description implying or calculating to lead people to infer that he is registered under this chapter, or that he is recognized by law as a physician, surgeon or accoucheur, or as a licentiate in medicine, surgery or midwifery, shall for each such offense be liable to a penalty not exceeding $100.

Sec. 38. SUMMARY CONVICTIONS ACT: The Nova Scotia Summary Convictions Act and amendments thereto shall apply to all offenses under this Chapter.

Sec. 39. (1) PENALTIES SUED FOR IN COURTS: All penalties or sums forfeited under the provisions of this chapter shall be recoverable with costs, and may be sued for and recovered in the same manner as a private debt by the board or by any qualified medical practitioner in any of the courts of this province having jurisdiction in actions of debts to the extent of $80 or upwards. All such penalties or sums when recovered shall belong to the board for the use thereof under this chapter.

(2) This section shall not apply where the defendant has been proceeded against by the provisions of the Summary Convictions Act of Nova Scotia and amendments thereto.

Sec. 40. In any trial under this chapter the burden shall be on the person charged to prove that he is duly registered under this chapter, and in the absence of proof that he is so registered it shall be conclusively presumed against him that he is not so registered under this chapter.

Sec. 41. LIMITATION OF PROSECUTIONS: No suit or action for the recovery of any penalty under this chapter shall be commenced after the expiration of one year from the date of the offense or act complained of.

Sec. 42. TO WHOM NOT APPLIED; MIDWIVES; BY-LAWS; CERTIFICATES: (1) Nothing in this chapter shall prevent any competent female from practicing midwifery in this province, except in the city of Halifax.

(2) In the city of Halifax no female shall practice midwifery unless and until she first fulfils such conditions as the board by regulation or by-laws appoints, and satisfies the examiners appointed by the board for that purpose of her competency, and obtains from the board a diploma or certificate of qualification, and has been registered as hereinbefore provided.

(3) In lieu of an examination, the board may accept from any such midwife practicing or proposing to practice in the city of Halifax a diploma or certificate from a recognized lying-in hospital which provides a regular course of instruction and requires an examination equivalent to that required by the board.

Sec. 43. EXEMPTIONS: Nothing in this chapter shall prevent any person from giving necessary medical or surgical aid or attendance to any one in urgent need thereof; provided, that such aid or attendance is not given for hire or gain, and that the giving of it is not made a business or way of gaining a livelihood by such person.

Sec. 44. Notwithstanding anything contained in this chapter the board may, by special resolution, grant its certificate of registration to and register, under the provisions of this chapter, any medical student who has completed a four years' course of study at any university, college or incorporated school of medicine in good standing hitherto recognized, or that may hereafter be recognized by the board, and has passed the examinations required by Clauses (a) (b) and (c) of Sub-section (1) of Section 19 hereof, and who has immediately thereafter attended a special session of eight months' duration at and has obtained his degree or diploma from such university, college or incorporated school of medicine, and who has enlisted or may enlist in the Canadian or British Army Medical Corps for service abroad during the recent war; and the action of the board in granting a special examination and its license and certificate of registration to and entering on the medical register the name of any medical student who has fulfilled the foregoing requirements, is hereby ratified and confirmed.

Sec. 45. APPOINTMENT OF SECRETARY TO EXECUTIVE COMMITTEE: Notwithstanding anything contained in the Medical Act to the contrary, the Provincial Medical Board may appoint its secretary a member of the "Executive Committee." (Acts of 1917, chapter 32.)

(3) The council may make rules and regulations as to the times and places of meetings of the council and the mode of summoning the same.

(4) All acts of the council shall be decided by the majority of members present, not being less than four in number, and the president for the time being shall have the casting vote.

Sec. 5 General annual meetings of the society shall be held at such times and places as the society shall by by-laws determine. Special meetings may be called from time to time in such manner as may be provided for by a by-law.

Sec. 8. (b) That after such examination and registration he has pursued his professional studies during a period of not less than four years; also

(d) That he has satisfactorily passed an examination in the various branches of professional studies, specified in the by-laws of the council, before professional examiners appointed by the council; and upon passing the examination required, and on payment of the fee for such examination, also the fee for registration, which fees shall be fixed by the by-laws of the society, he shall be entitled to registration. Provided that any person holding the degree of B.A. from any university in His Majesty's Dominions, or any person holding a teacher's license of the first-class of this province, shall not be required to pass the matriculation examination.

Sec. 11. STUDENTS' REGISTER; FEE: The council shall cause to be kept by the registrar a book or register to be called the "Medical Students' Register," in which shall be entered the names of all who have passed the said matriculation examination, together with the date of registration, and such other particulars in regard thereto as may be by the council deemed necessary or expedient. A fee of two dollars ($2) shall be paid for such registration and a certificate thereof.

Sec. 12. RECIPROCITY: When and so soon as it appears that there has been established an examining board similar to that constituted by this Act, or an institution duly recognized by the legislature of any of the provinces of the Dominion of Canada, other than Prince Edward Island, as the sole examining body for the purpose of granting certificates of qualification, and wherein the curriculum is equal to that approved by the medical council of the province of Prince Edward Island, the holder of any such certificate shall, upon due proof, be entitled to registration by the council of Prince Edward Island, if the same privilege is accorded in such other province to those registered in Prince Edward Island.

Sec. 13. ANNUAL MEETING; STATEMENTS; ANNUAL FEE: At each annual meeting of the society it shall be the duty of the council to lay before the society a statement of all moneys received, and the mode of expenditure; also of the amount of money likely to be required during the ensuing year, how it is proposed to raise, and to expend this money, and the council shall be governed herein by a vote of the society. The council shall have power to levy an annual fee upon the members of the society, but no fees levied upon the members of the society shall exceed five dollars ($5) yearly on each member, and all fees shall be payable to the registrar on the first day of July of each year, and such fee shall be deemed a debt due by each member of the society, and shall be recoverable with costs in the name of the society, in any court of competent jurisdiction.

Sec. 14. ADDITIONAL QUALIFICATIONS REGISTERED: Every person registered under this Act, who obtains any higher degree or any qualifications other than that in request of which he has been registered shall, on the payment of such fees as the council may appoint, be entitled to have such higher degree or additional qualification inserted on the register in substitution for or in addition to, the qualifications previously registered.

Sec. 15. SAME: No qualification shall be entered on the register, either on the first registration or by way of addition to a registered name, unless the registrar is satisfied, by proper evidence that the person claiming is entitled to be registered, and any appeal from the decision of the registrar may be decided by the council and any name proved to the satisfaction of the council to have been fraudulently or incorrectly entered may be erased from the register by an order in writing of the council.

Sec. 16. SAME: In the event of the registrar being dissatisfied with the evidence adduced by any person claiming to be registered, he shall have the power, subject to an appeal to the council, of refusing registration, until the person claiming to be registered has furnished evidence to the satisfaction of the registrar, duly attested by oath or affirmation before a notary or justice of the peace.

Sec. 17. INFAMOUS CONDUCT; ERASED REGISTRATION; INQUIRY: (a) Where any medical practitioner has either before or after he is registered been convicted either in His Majesty's Dominion or elsewhere of an offense which, if committed in Canada would be an offense against the criminal law of Canada, or been guilty of any infamous or disgraceful conduct in a professional respect, such practitioner shall be liable to have his name erased from the register, and if such a practitioner applies for registration the council shall have power to refuse such registration. The council shall upon the charge in writing of any person specifying the cause or causes of complaint cause inquiry to be made into the case of a person alleged to be liable under this section to be refused registration or to have his name erased from the register. No action shall be brought against the council or any member thereof for anything done bona fide under this section.

(b) Provided that no person shall be refused registration and that the name of no person shall be erased under this section on account of a conviction for a political offense out of His Majesty's Dominions, nor on account of a conviction for an offense which, though within the provisions of this section, ought not, in the opinion of the council either from the trival nature of the offense or from the circumstances under which it was committed, to disqualify a person from practicing medicine or surgery.

(c) Upon receipt of proof of the finding or decision of any court of record in Canada and within His Majesty's Dominions that a criminal offense has been committed by any registered medical practitioner, the council shall order the registrar immediately to erase from the register the name of such practitioner.

(d) The council may for the purpose of the execution of their duties under the said act as hereby amended employ at the expense of the council such legal assistance as the council may think necessary or proper, and the person whose conduct is the subject of inquiry shall also have the right to be represented by council.

(e) Upon any inquiry under this section either party may without leave or order upon payment of the usual fee obtain and issue from the supreme court of judicature of this province a subpoena commanding the attendance and examination of any witness, and also the production of any documents the production of which could be compelled at the trial of an action to and before the council and at the time and place mentioned in the subpoena, and disobedience to the subpoena shall be deemed a contempt of court, but the person whose attendance is required shall be entitled to the like conduct, money and payment for the attendance as upon a trial in the said supreme court.

(f) In case of the erasure of a name under the provisions of this section the council may direct the costs of and incidental to such erasure to be paid by the party whose name has been directed to be traced, which costs shall first be taxed by one of the taxing officers of the said supreme court, upon whose certificate execution may issue for the collection of such costs out of the said supreme court as upon a judgment in an action in said court.

(g) The council may order to be paid out of any funds at their disposal such costs as to them may seem just to any person against whom any complaint has been made, which when finally determined is found to have been frivolous and vexatious.

Sec. 18. **ERASURE PUBLISHED; APPEAL:** It shall be lawful for the registrar upon the order of the council to publish a notice in any newspaper or newspapers published in Prince Edward Island, stating the fact that the name of any person has been erased from the register under the provisions of the last preceding section, and the cause of such erasure; provided that if such person has appealed within the time allowed for an appeal under this Act, no such notice shall be published until such appeal has been disposed of. It shall also be lawful for the registrar upon the order of the council to publish in any newspaper or newspapers published in Prince Edward Island the name or names of any person or persons unlawfully practicing medicine in this province without registration.

Sec. 19. **RE-ENTRY OF NAME:** Where the council refuses to register any person, or direct the erasure from the register of the name of any person or of any other entry, the name of that person or that entry shall not be again entered on the register, except by the direction of the council or by the order of the supreme court, or by a judge thereof.

Sec. 20. **NOTICE; COPY OF CHARGES; AUTHORITY OF COUNCIL:** At least five days before any meeting of the council to be held for the purpose of hearing any application under Section 17, notice shall be served upon the person whose conduct is the subject of inquiry, and such notice shall embody a copy of the charges made against him or a statement of the subject matter of the inquiry, and shall also specify the time and place of such meeting. The council shall have the right to examine the witness on oath, which the president or acting president is hereby authorized to administer; as also to receive the affidavits or solemn declarations of persons residing out of this province, sworn to or made before any notary public. In the event of the non-attendance of the person whose conduct is the subject of such inquiry, the council may upon the proof of the personal service of the notice aforesaid, in accordance with the provisions of this section, which proof may be by solemn statutory declaration, proceed with the subject matter of the inquiry in his absence and determine the same.

Sec. 21. **PROFESSIONAL RIGHTS:** Every person licensed or registered under the provisions of this Act shall be entitled, according to his qualification or qualifications, to practice medicine, surgery and midwifery, or any of them, as the case may be, in the province of Prince Edward Island, and to demand and recover in any court with cost of suit, reasonable charges for professional aid, service and visits, and the costs of any medicine or other medicinal or surgical appliances rendered or supplied by him to his patients.

Sec. 22. **MALPRACTICE:** No person registered under the provisions of this Act shall be liable to any civil action for negligence or malpractice, by reason of professional services requested or rendered, unless such action be commended within twelve months from the date, when in the matter complained of, such professional services terminated.

Sec. 23. **REGISTER PUBLISHED ONCE IN TWO YEARS:** (1) The registrar of the council shall under the direction of the council cause to be printed and published once in two years, a corrected copy of the register containing the names of all persons registered, in alphabetical order, according to the surnames, with the respective residences, together with the medical titles, diplomas and qualifications conferred by any college or body with the dates thereof, as existing on the day of the publication; and a copy of such register for the time being, purporting to be so printed and published as aforesaid, shall be prima facie evidence in all courts and before all justices of the peace, that the persons therein specified are registered according to the provisions of this Act, and subject to the provisions of subsection two of this section; the absence of the name of any person from such copy shall be prima facie evidence that such person is not registered according to the provisions of this Act.

(2) In the case of any person whose name does not appear in such copy, a certified copy under the hand of the registrar of the entry of the name of such person on the register, shall be evidence that such person is registered under the provision of this Act.

Sec. 24. **FALSE REPRESENTATIONS; PENALTIES:** (1) If any person procures or causes to be procured his registration under this Act, by means of any false or fraudulent representation or declaration, either verbal or in writing, it shall be lawful for the registrar, on receipt of sufficient evidence of the falsity or fraudulent character of such representation or declaration, to present the matter to the council, and on the written order of the president, attested by the seal of the society, to erase the name of such person from the register, and to make known the fact that the cause of the erasure, by notice to be published in Prince Edward Island, and after such notice has appeared, the person whose name has been erased shall cease to be a member of the society and shall cease to enjoy any of the privileges conferred by registration under this Act, and shall not be entitled to enjoy the same at any future time without the express sanction of the council.

(2) If any person wilfully procures or attempts to procure himself to be registered under this Act, by making false or fraudulent representation or declaration, either verbal or in writing, he shall on conviction thereof, before any justice of the peace or stipendiary magistrate, incur a penalty not exceeding fifty dollars ($50); and every person knowingly aiding and assisting him therein shall for such offense, on conviction thereof, incur a penalty of not less than ten dollars ($10), nor more than twenty-five dollars ($25) for each offense.

Sec. 25. **UNLAWFUL PRACTICE; PENALTIES:** It shall not be lawful for any person not registered or licensed under the said act as hereby amended to practice medicine, surgery or midwifery for hire, gain or hope of reward, and if any person not so registered or licensed for hire, gain or hope of reward practices or professes to practice medicine, surgery or midwifery, or advertises in any manner or by any means whatsoever to give advice in medicine, surgery or midwifery, he shall on summary conviction be liable to a penalty of twenty-five dollars ($25) for the first offense, and in default of payment of a penalty imposed the said magistrate or justice making such conviction shall commit the person so convicted to the common jail of the county wherein such conviction shall take place for a period of one (1) month, unless the said penalty and all costs and charges and all costs of the commitment and carrying the said offender to the said jail are sooner paid, and for a second offense the offender shall be liable to a penalty of fifty dollars ($50), and in default of payment forthwith of the said penalty the said magistrate or justices shall commit the person so convicted to the common jail of the county wherein such conviction shall take place for a period of two (2) months, unless the said penalty and all costs and charges and all costs of the commitment and carrying the said offender to the said jail are sooner paid, and for a third and every subsequent offense the offender shall be liable to imprisonment for a term of three (3) months.

Sec. 26. **FALSE PRETENSIONS; PENALTIES:** A. Any person who wilfully or falsely pretends to be a physician or doctor of medicine, surgeon or general practitioner or assumes any title, addition or description or other than he actually possesses and is legally entitled to or that he is recognized by law as a physician, accoucheur, or licentiate in medicine, surgery or midwifery, shall be liable on a summary conviction to a penalty of twenty-five dollars ($25) for the first offense, and in default of payment of the penalty imposed the said magistrate or justices making such conviction shall commit the person so convicted to the common jail of the county wherein such conviction shall take place for a period of one (1) month, unless the said penalty and all costs and charges and all costs of the commitment and carrying the offender to the said jail are sooner paid, and for a second offense the offender shall be liable to a penalty of fifty dollars ($50), and in default of payment forthwith of the said penalty the said magistrate or justices shall commit the person so convicted to the common jail of the county wherein such conviction shall take place for a period of two (2) months, unless the said penalty and all costs and charges and all costs of the commitment and carrying the offender to the said jail are sooner paid; and for a third and every subsequent offense the offender shall be liable to imprisonment for term of three (3) months. Sub.-Sec. 2. The proceedings on any information for committing any offense against the provision of the said act as hereby amended in case of a previous conviction or convictions being charged shall be as follows:

B. Any such previous conviction shall be provable by the production of a certificate under the hand or hands of the convicting magistrate or justices without proof of his or their signature or signatures or official character or by other satisfactory evidence.

C. A conviction may in any case be had as for a first offense notwithstanding that there has been a prior conviction or convictions for the same or any other offense.

Sec. 27. **NO POWER TO COLLECT IF NOT REGISTERED:** No person shall be entitled to recover any charge in any court of law for any medical or surgical advice or attendance, or for the performance of any surgical operation, or for any medicine which he may have prescribed or supplied unless he is registered, licensed or otherwise authorized under this Act. But this section shall not extend to the sale of any drug or medicine by any storekeeper, chemist or druggist.

Sec. 28. No person shall be appointed as a medical officer, physician or surgeon in any branch of the public service in this province, or in any hospital or other charitable institution, unless he is registered under the provisions of this Act; and no certificate required by any act now in force, or hereafter to be passed, from any physician, surgeon or medical practitioner shall be valid unless the person granting or signing the same is registered under this Act.

(6) Every medical practitioner whose name shall appear on the register of the council on June 30, A. D. 1899, as a duly registered medical practitioner, shall be considered and deemed to be duly registered under this Act, but subject nevertheless to the provisions thereof.

2. If it is established by a final judgment without appeal to a court, that a member of the college has committed some serious infringement of his professional duties or has committed an act derogatory to the honor of the profession, the council may suspend or dismiss such member from the college, without investigation, on production of a certified copy of the judgment.

3. In the two cases mentioned in Paragraphs 1 and 2 of this article, the clerk of the court which has pronounced the sentence, shall forward a copy of such sentence without delay to the registrar of the college.

4962. COMPLAINTS AGAINST PHYSICIANS: 1. Every complaint against a member of the college shall be made in writing, under oath taken before the registrar or a justice of the peace, and addressed to the registrar.

2. The Provincial Medical Board shall have power to make by-laws to determine in what manner and within what delays such complaints shall be disposed of, to summon the accused and witnesses and generally to prescribe the procedure to be followed upon complaints against a member of the college.

3. Every complaint against a member of the college may be heard by the council at a general or special meeting.

4. Every complaint made to the registrar must be accompanied by a deposit of $25, but if such complaint is to be heard by the council, at a special sitting at the request of the complainant, the deposit shall be $50. But in either case the complainant and the accused must further disburse on demand and during the course of the proceedings, the cost and fees fixed by the tariff.

5. The complaint shall indicate summarily the nature, time, place and circumstances of the offense, and be accompanied by a list containing the names, surnames, occupation and residence of the witnesses whom the complainant wishes to be heard.

4963. SUMMONING WITNESSES: 1. In the exercise of its functions, the council may summon witnesses and shall have all the powers of the superior court to compel them to appear and answer and to punish them in case of a refusal. Every member of the council has a right to swear the parties and witnesses.

2. The council shall have the right to have every document deemed necessary to enable it to pronounce upon such complaint to be laid before it. It shall have the powers of the superior court for compelling the production of such documents.

3. The council may order one of its members to hold an investigation and to report to it upon any complaint pending before it, and in connection with any question or matter within its jurisdiction under this section; and such member may be authorized by the council to proceed to such place as he may deem expedient for the purpose of such investigation.

4964. PAYMENT OF COSTS: In rendering its decision, the council shall have power to order either of the parties to pay the costs incurred or to divide them between them and to tax the costs which are not provided for by the tariff.

4965. PENALTIES: The disciplinary penalties which may be imposed by the Provincial Medical Board or by the council shall be:

1. Deprivation of the right to vote at elections of governors and at all general meetings of the members of the college for a certain time.

2. Deprivation of the right to be elected to the office of governor.

3. Deprivation of the right of a member of the Provincial Medical Board to sit at one or more sittings.

4. Censure.

5. Dismissal from the Provincial Medical Board.

6. Suspension from the practice of the profession of medicine and surgery, which entails during suspension the dismissal of such members from the college.

7. Dismissal from the college.

4966. SAME: The penalties other than dismissal from the college may be imposed separately or simultaneously.

4967. CHARGES PREFERRED BY BOARD: The Provincial Medical Board may, whenever it deems expedient, order the registrar to bring any charge properly drawn up before the council, in his own name.

4968. APPEAL TO THE PROVINCIAL MEDICAL BOARD: 1. Every decision of the Council on Discipline entailing suspension or dismissal shall be subject to appeal to the Provincial Medical Board. Notice of such appeal shall be served by a bailiff upon the registrar who has reported the decision to the member of the college who has been suspended or dismissed, within fifteen days following that of the service.

Such appeal shall be taken into consideration only at a regular session of the Provincial Medical Board.

2. A member of the council cannot sit in an appeal from a judgment rendered by the Council of which he forms part.

3. The grounds for recusing a judge set forth in Articles 237 and 238 of the Code of Civil Procedure shall apply to the members of the Provincial Medical Board sitting in appeal.

4. The quorum of the members of the Provincial Medical Board sitting in appeal shall be eight members.

5. The appellant shall deposit with his notice of appeal the sum of $50 on account of the costs occasioned by such appeal.

If he succeeds in such appeal, the said sum shall be returned to him. The losing party shall be condemned to pay it to the Provincial Medical Board with the other costs occasioned by such appeal.

6. The Provincial Medical Board shall decide the appeal summarily and the registrar shall within eight days forward a certified copy of such decision to the appeallant, by registered letter.

7. No appeal shall lie to the courts from the decision rendered by the Provincial Medical Board or the council except in the case of suspension or dismissal of a member of the college. However, if an interested member believes himself wronged by the decision rendered by the Council on Discipline, or by the Provincial Medical Board, he may appeal his case to the superior court.

4969. EXECUTION OF THE DECISIONS OF THE COUNCIL AND RECOVERY OF COSTS: When the delay for the appeal has expired, or after final decision, as the case may be, a copy of the decision of the Provincial Medical Board, or of the council, certified by the registrar, shall be served by a bailiff within thirty days upon the member of the college who has been suspended or dismissed, or upon any other losing party, and upon the prothonotary of the superior court of the district where such member of the college or such party resides.

The prothonotary of the superior court of the district where the party condemned resides, shall, on production of a certified copy of the decision of the board of the council issue a warrant of execution for the recovery of the costs fixed by the tariff or taxed by the council or the board, both before and after the decision, as in the case of a judgment of the superior court.

2. If the losing party is a member of the college he shall not be allowed to practice his profession and shall be suspended ipso facto until he has paid the costs which he is condemned to pay.

4970. NOTICE OF SUSPENSION OR DISMISSAL: In the case of suspension or dismissal of a member of the college, notice shall be given over the signature of the registrar, in four numbers of the Quebec Official Gazette immediately after the judgment by the Provincial Medical Board has been delivered, or after the expiration of the delay granted for the appeal, if no appeal is taken.

2. The effects of the suspension or dismissal shall date only from the last of such four publications.

3. With the exception mentioned in Paragraph four of this article, a public notice of such suspension or dismissal, signed by the registrar shall be immediately read and posted on two consecutive Sundays by a bailiff of the superior court, or by the secretary-treasurer of the council of the municipality upon the door of the Church of the parish or of the township where the physician who has been suspended or dismissed has his domicile.

4. In the cities of Quebec, Montreal, Three Rivers, Sherbrooke and Sorel and in the towns of St. Hyacinthe and St. Johns, such notice shall be published three times in French in a newspaper published in the French language, and three times in English, in a newspaper published in the English language, and if there be but one newspaper in the locality or if both are published in the same language the notice shall be inserted in the two languages in the same newspaper.

4971. PENALTIES AND PROSECUTIONS: 1. Every person not registered in this province who is convicted of having practiced medicine and surgery or midwifery in contravention of the provisions of this section, shall incur a penalty of not more than $50 for the first offense and of not less than $50 nor more than $200 for every subsequent offense.

This provision shall not apply to services rendered gratuitously by persons who by reason of their calling, may, under special circumstances, do certain acts to which this act would otherwise apply.

2. A penalty of $50 for the first offense, of $100 for the second offense, and of $200 for every subsequent offense, shall be incurred by any person who assumes the title of doctor of medicine or of surgeon or any other name which might give reason to suppose that he is legally authorized to practice medicine, surgery or midwifery in this province, if he cannot establish such fact by legal proof as required by this section and by law.

3. Every person who in an advertisement in a newspaper or in a written or printed circular or on a business card or on signs, assumes such a title, name or designation, as to lead people to suppose that he is duly registered or qualified to practice medicine, surgery or obstetrics, or any person who either for himself or on account of a licensed physician, offers or gives his services as physician, surgeon or obstetrician even gratuitously, or who offers or gives free consultation, if he is not duly authorized and registered in this province under this section, shall in each of such cases be liable to a penalty of $50 for the first offense, of $100 for the second offense, and of $200 for all subsequent offenses.

In every prosecution under this section proof of registration shall be upon the person prosecuted.

4. The penalties imposed by this section shall be recoverable with costs, by suit in the name of the college, in its corporate name, and they shall belong to the college for its own use.

The penalties imposed by this section may be recovered by an action at law in the name of the College of Physicians and Surgeons of the Province of Quebec, before the superior court or circuit court, according to the amount of the penalty which may be imposed, of the county or district where the defendant has his domicile or of the district in which the offense was committed and the procedures so brought are regulated by the provisions of the code of civil procedure on summary matters. The penalties can also be reclaimed by appeal before a justice of the peace.

5. If the proof is sufficient, the court shall condemn the defendant to pay the penalties mentioned above with costs, within a delay which it shall specify, and to imprisonment for sixty days in the common gaol of the district if he fails to satisfy the judgment within such delay.

The warrant of imprisonment in such case shall issue under the signature of the clerk of the court, on the written application of the attorney for the prosecutor, and may be drawn up mutatis mutandis according to form 41, in part XXV of the Criminal Code, and executed in the ordinary manner.

4972. SAME: Independently of the damages that may result to the parties, every physician who has been suspended or dismissed and exposes a sign or anything else calculated to conceal his suspension or dismissal from the public or who practices medicine, surgery or midwifery, shall incur a penalty of $100 for each offense.

4973. SAME: Every fine or penalty imposed by articles 4002ss shall be sued for and recovered by the registrar, in the name of the college, with the previous authorization of the Provincial Medical Board or of its chairman, before any competent civil court.

If the registrar is the person to be sued, the president shall act as ex officio in the name of the Provincial Medical Board.

4974. APPOINTMENT OF PERSON TO TAKE PROCEEDINGS: The President of the college may, if he thinks proper, authorize, appoint and constitute by an order signed by him, any person whom he may select, other than the registrar, to take proceedings against anybody who is suspected of having infringed any of the provisions of this section.
